17 **2. If a provider furnishes a substitute under subsection 1 of this section, the**
18 **provisions of subsections 1, 3, 4, and 5 of section 425.074 apply to the substitute.**

425.078. A provider shall act in good faith in all matters under sections 425.050 to
2 **425.132.**

425.080. A provider that is required to be registered under sections 425.050 to

3 **permits an individual to speak to a certified counselor or customer-service representative,**
4 **as appropriate, during ordinary business hours.**

425.082. 1. Before providing debt-management services, a registered provider shall
2 give the individual an itemized list of goods and services and the charges for each. The list
3 shall be clear and conspicuous, be in a record the individual may keep whether or not the
4 individual assents to an agreement, and describe the goods and services the provider offers:

5 (1) Free of additional charge if the individual enters into an agreement;
6 (2) For a charge if the individual does not enter into an agreement; and
7 (3) For a charge if the individual enters into an agreement, using the following

13 and

14 (d) Goods and services in addition to those provided in connection with a plan, with
15 a specific dollar amount or method of determining the amount.

16 2. A provider shall not furnish debt-management services unless the provider,
17 through the services of a certified counselor:

18 (1) Provides the individual with reasonable education about the management of
19 personal finance;

20 (2) Has prepared a financial analysis; and

21 (3) If the individual is to make regular, periodic payments:

22 (a) Has prepared a plan for the individual;

23 (b) Has made a determination, based on the provider's analysis of the information
24 provided by the individual and otherwise available to it, that the plan is suitable for the
25 individual and the individual will be able to meet the payment obligations under the plan;
26 and

27 (c) Believes that each creditor of the individual listed as a participating creditor in
28 the plan will accept payment of the individual's debts as provided in the plan.

29 3. Before an individual assents to an agreement to engage in a plan, a provider
30 shall:

31 (1) Provide the individual with a copy of the analysis and plan required by
32 subsection 2 of this section in a record that identifies the provider and that the individual
33 may keep whether or not the individual assents to the agreement;

34 (2) Inform the individual of the availability, at the individual's option, of assistance
35 by a toll-free communication system or in person to discuss the financial analysis and plan

41 (b) Creditors that the provider expects to participate in the plan but not grant
42 concessions;

43 (c) Creditors that the provider expects not to participate in the plan; and

44 (d) All other creditors.

45 4. Before an individual assents to an agreement to engage in a plan, the provider
46 shall inform the individual, in a record that contains nothing else, that is given separately,
47 and that the individual may keep whether or not the individual assents to the agreement:

48 (1) Of the name and business address of the provider;

49 (2) That plans are not suitable for all individuals and the individual may ask the
50 provider about other ways, including bankruptcy, to deal with indebtedness;

51 (3) That establishment of a plan may adversely affect the individual's credit rating
52 or credit scores;

53 (4) That nonpayment of debt may lead creditors to increase finance and other
54 charges or undertake collection activity, including litigation;

55 (5) Unless it is not true, that the provider may receive compensation from the
56 creditors of the individual; and

57 (6) That, unless the individual is insolvent, if a creditor settles for less than the full
58 amount of the debt, the plan may result in the creation of taxable income to the individual,
59 even though the individual does not receive any money.

60 5. If a provider may receive payments from an individual's creditors and the plan
61 contemplates that the individual's creditors will reduce finance charges or fees for late
62 payment, default, or delinquency, the provider may comply with subsection 4 of this
63 section by providing the following disclosure, surrounded by black lines:

64 (1) That the information was important information for the individual to consider;

65 (2) That debt-management plans are not right for all individuals, and the
66 individual may ask the provider for information about other ways, including bankruptcy,
67 to deal with the individual's debts;

68 (3) That using a debt-management plan may hurt the individual's credit rating or
69 credit scores;

70 (4) That the individual may be required to compensate the provider for services
71 from the individual's creditors; and

72 (5) The name and business address of the provider.

73 **6. If a provider will not receive payments from an individual's creditors and the**
74 **plan contemplates that the individual's creditors will reduce finance charges or fees for late**
75 **payment, default, or delinquency, a provider may comply with subsection 4 of this section**
76 **by providing the following disclosure, surrounded by black lines:**

77 **(1) That the information is important information for the individual to consider;**

78 **(2) That debt-management plans are not right for all individuals, and the**
79 **individual may ask the provider to provide information about other ways, including**
80 **bankruptcy, to deal with the individual's debts;**

81 **(3) That using a debt-management plan may hurt the individual's credit rating or**
82 **credit scores; and**

83 **(4) The name and business address of provider.**

84 **7. If a plan contemplates that creditors will settle debts for less than the full**
85 **principal amount of debt owed, a provider may comply with subsection 4 of this section by**
86 **providing the following disclosure, surrounded by black lines:**

87 **(1) That the information is important information for the individual to consider;**

88 **(2) That the provider's program is not right for all individuals, and the individual**
89 **may ask the provider to provide information about bankruptcy and other ways to deal**
90 **with the individual's debts;**

91 **(3) That nonpayment of the individual's debts under the provider's program may**
92 **hurt the individual's credit rating or credit scores; lead the individual's creditors to**
93 **increase finance and other charges; and lead the individual's creditors to undertake**
94 **activity, including lawsuits, to collect the debts;**

95 **(4) That reduction of debt under our program may result in taxable income to the**
96 **individual, even though the individual will not actually receive any money; and**

97 **(5) The name and business address of provider.**

425.084. 1. As used in this section, the following terms mean:

2 **(1) "Federal act", the Electronic Signatures in Global and National Commerce Act,**
3 **15 U.S.C. 7001 et seq., as amended.**

4 **(2) "Consumer", an individual who seeks or obtains goods or services that are used**
5 **primarily for personal, family, or household purposes.**

6 **2. A provider may satisfy the requirements of section 425.082, 425.086, or 425.102**
7 **by means of the Internet or other electronic means if the provider obtains a consumer's**
8 **consent in the manner provided by section 101(c)(1) of the federal act.**

9 **3. The disclosures and materials required by sections 425.082, 425.086, and 425.102**
10 **shall be presented in a form that is capable of being accurately reproduced for later**
11 **reference.**

12 **4. With respect to disclosure by means of an Internet web site, the disclosure of the**
13 **information required by subsection 4 of section 425.082 shall appear on one or more**
14 **screens that:**

15 **(1) Contain no other information; and**

16 **(2) The individual shall see before proceeding to assent to formation of a plan.**

17 **5. At the time of providing the materials and agreement required by subsections**
18 **3 and 4 of section 425.082, and sections 425.086 and 425.102, a provider shall inform the**
19 **individual that upon electronic, telephonic, or written request, it will send the individual**
20 **a written copy of the materials, and shall comply with a request as provided in subsection**
21 **6 of this section.**

22 **6. If a provider is requested, before the expiration of ninety days after a plan is**
23 **completed or terminated, to send a written copy of the materials required by subsections**
24 **3 and 4 of section 425.082 or section 425.086 or 425.102, the provider shall send them at no**
25 **charge within three business days after the request, but the provider need not comply with**
26 **a request more than once per calendar month or if it reasonably believes the request is**
27 **made for purposes of harassment. If a request is made more than ninety days after a plan**
28 **is completed or terminated, the provider shall send within a reasonable time a written copy**
29 **of the materials requested.**

30 **7. A provider that maintains an Internet web site shall disclose on the home page**
31 **of its web site or on a page that is clearly and conspicuously connected to the home page**
32 **by a link that clearly reveals its contents:**

33 **(1) Its name and all names under which it does business;**

34 **(2) Its principal business address, telephone number, and electronic-mail address,**
35 **if any; and**

36 **(3) The names of its principal officers.**

37 **8. Subject to subsection 9 of this section, if a consumer who has consented to**
38 **electronic communication in the manner provided by section 101 of the federal act**
39 **withdraws consent as provided in the federal act, a provider may terminate its agreement**
40 **with the consumer.**

41 **9. If a provider wishes to terminate an agreement with a consumer under**
42 **subsection 8 of this section, it shall notify the consumer that it will terminate the agreement**
43 **unless the consumer, within thirty days after receiving the notification, consents to**
44 **electronic communication in the manner provided in section 101(c) of the federal act. If**
45 **the consumer consents, the provider may terminate the agreement only as permitted by**
46 **paragraph (f) of subdivision (6) of subsection 1 of section 425.086.**

425.086. 1. An agreement shall:

- 2 (1) Be in a record;
3 (2) Be dated and signed by the provider and the individual;
4 (3) Include the name of the individual and the address where the individual resides;
5 (4) Include the name, business address, and telephone number of the provider;
6 (5) Be delivered to the individual immediately upon formation of the agreement;
7 and
8 (6) Disclose:
9 (a) The services to be provided;
10 (b) The amount, or method of determining the amount, of all fees, individually
11 itemized, to be paid by the individual;
12 (c) The schedule of payments to be made by or on behalf of the individual,
13 including the amount of each payment, the date on which each payment is due, and an
14 estimate of the date of the final payment;
15 (d) If a plan provides for regular periodic payments to creditors:
16 a. Each creditor of the individual to which payment will be made, the amount owed
17 to each creditor, and any concessions the provider reasonably believes each creditor will
18 offer; and
19 b. The schedule of expected payments to each creditor, including the amount of
20 each payment and the date on which it will be made;
21 (e) Each creditor that the provider believes will not participate in the plan and to
22 which the provider will not direct payment;
23 (f) How the provider will comply with its obligations under subsection 1 of section
24 425.102;
25 (g) That the provider may terminate the agreement for good cause, upon return of
26 unexpended money of the individual;
27 (h) That the individual may cancel the agreement as provided in section 425.088;
28 (i) That the individual may contact the administrator with any questions or
29 complaints regarding the provider; and
30 (j) The address, telephone number, and Internet address or web site of the
31 administrator.
32 2. For purposes of subdivision (5) of subsection 1 of this section, delivery of an
33 electronic record occurs when it is made available in a format in which the individual may
34 retrieve, save, and print it and the individual is notified that it is available.
35 3. If the administrator supplies the provider with any information required under
36 paragraph (j) of subdivision (6) of subsection 1 of this section, the provider may comply
37 with that requirement only by disclosing the information supplied by the administrator.

38 **4. An agreement shall provide that:**

39 **(1) The individual has a right to terminate the agreement at any time, without**
40 **penalty or obligation, by giving the provider written or electronic notice, in which event:**

41 **(a) The provider will refund all unexpended money that the provider or its agent**
42 **has received from or on behalf of the individual for the reduction or satisfaction of the**
43 **individual's debt;**

44 **(b) With respect to an agreement that contemplates that creditors will settle debts**
45 **for less than the principal amount of debt, the provider will refund sixty-five percent of**
46 **any portion of the set-up fee that has not been credited against the settlement fee; and**

47 **(c) All powers of attorney granted by the individual to the provider are revoked**
48 **and ineffective;**

49 **(2) The individual authorizes any bank, in which the provider or its agent has**
50 **established a trust account, to disclose to the administrator any financial records relating**
51 **to the trust account; and**

52 **(3) The provider will notify the individual within five days after learning of a**
53 **creditor's decision to reject or withdraw from a plan and that this notice will include:**

54 **(a) The identity of the creditor; and**

55 **(b) The right of the individual to modify or terminate the agreement.**

56 **5. An agreement may confer on a provider a power of attorney to settle the**
57 **individual's debt for no more than fifty percent of the principal amount of the debt. An**
58 **agreement may not confer a power of attorney to settle a debt for more than fifty percent**
59 **of that amount, but may confer a power of attorney to negotiate with creditors of the**
60 **individual on behalf of the individual. An agreement shall provide that the provider will**
61 **obtain the assent of the individual after a creditor has assented to a settlement for more**
62 **than fifty percent of the principal amount of the debt.**

63 **6. An agreement shall not:**

64 **(1) Provide for application of the law of any jurisdiction other than the United**
65 **States and this state;**

66 **(2) Except as permitted by section 2 of the Federal Arbitration Act (9 U.S.C. 2), as**
67 **amended, contain a provision that modifies or limits otherwise available forums or**
68 **procedural rights, including the right to trial by jury, that are generally available to the**
69 **individual under law other than in sections 425.050 to 425.132;**

70 **(3) Contain a provision that restricts the individual's remedies under sections**
71 **425.050 to 425.132 or law other than in sections 425.050 to 425.132; or**

72 **(4) Contain a provision that:**

73 (a) Limits or releases the liability of any person for not performing the agreement
74 or for violating sections 425.050 to 425.132; or

75 (b) Indemnifies any person for liability arising under the agreement or sections
76 425.050 to 425.132.

77 7. All rights and obligations specified in subsection 4 of this section and section
78 425.088 exist even if not provided in the agreement. A provision in an agreement which
79 violates subsection 4, 5, or 6 of this section is void.

 425.088. 1. An individual may cancel an agreement before midnight of the third
2 business day after the individual assents to it, unless the agreement does not comply with
3 subsection 2 of this section or section 425.086 or 425.104, in which event the individual may
4 cancel the agreement within thirty days after the individual assents to it. To exercise the
5 right to cancel, the individual shall give notice in a record to the provider. Notice by mail
6 is given when mailed.

7 2. An agreement shall be accompanied by a form that contains in bold-face type,
8 surrounded by bold black lines the following information:

9 (1) Notice of right to cancel;

10 (2) Notification that the person may cancel the agreement, without any penalty or
11 obligation, at any time before midnight of the third business day that begins the day after
12 the person agrees to it by electronic communication or by signing it;

13 (3) Notification that the person may cancel the agreement during the period to send
14 an e-mail to the appropriate person or mail or deliver a signed, dated copy of the notice,
15 or any other written notice to the appropriate person;

16 (4) Name of provider, the address of the provider and a specific time;

17 (5) The date;

18 (6) Notification that if the person cancels the agreement within the three-day
19 period, he or she will receive a refund of all money the person paid;

20 (7) Notification that the person may terminate the agreement at any later time, but
21 may not receive a refund of the fees paid;

22 (8) The person stating that he or she cancels the agreement; and

23 (9) The person's printed and signed name and the date.

24 3. If a personal financial emergency necessitates the disbursement of an
25 individual's money to one or more of the individual's creditors before the expiration of
26 three days after an agreement is signed, an individual may waive the right to cancel. To
27 waive the right, the individual shall send or deliver a signed, dated statement in the
28 individual's own words describing the circumstances that necessitate a waiver. The waiver

29 shall explicitly waive the right to cancel. A waiver by means of a standard-form record is
30 void.

425.090. Unless the administrator, by rule, provides otherwise, the disclosures and
2 documents required by sections 425.050 to 425.132 shall be in English. If a provider
3 communicates with an individual primarily in a language other than English, the provider
4 shall furnish a translation into the other language of the disclosures and documents
5 required by sections 425.050 to 425.132.

425.092. 1. All money paid to a provider by or on behalf of an individual under a
2 plan for distribution to creditors is held in trust. Within two business days after receipt,
3 the provider shall deposit the money in a trust account established for the benefit of
4 individuals to whom the provider is furnishing debt-management services.

5 2. Money held in trust by a provider is not property of the provider or its designee.
6 The money is not available to creditors of the provider or designee, except an individual
7 from whom or on whose behalf the provider received money, to the extent that the money
8 has not been disbursed to creditors of the individual.

9 3. A provider shall:

10 (1) Maintain separate records of account for each individual to whom the provider
11 is furnishing debt-management services;

12 (2) Disburse money paid by or on behalf of the individual to creditors of the
13 individual as disclosed in the agreement, except that:

14 (a) The provider may delay payment to the extent that a payment by the individual
15 is not final; and

16 (b) If a plan provides for regular periodic payments to creditors, the disbursement
17 shall comply with the due dates established by each creditor; and

18 (3) Promptly correct any payments that are not made or that are misdirected as a
19 result of an error by the provider or other person in control of the trust account and
20 reimburse the individual for any costs or fees imposed by a creditor as a result of the
21 failure to pay or misdirection.

22 4. A provider shall not commingle money in a trust account established for the
23 benefit of individuals to whom the provider is furnishing debt-management services with
24 money of other persons.

25 5. A trust account shall at all times have a cash balance equal to the sum of the
26 balances of each individual's account.

27 6. If a provider has established a trust account under subsection 1 of this section,
28 the provider shall reconcile the trust account at least once a month. The reconciliation
29 shall compare the cash balance in the trust account with the sum of the balances in each

30 individual's account. If the provider or its designee has more than one trust account, each
31 trust account shall be individually reconciled.

32 7. If a provider discovers, or has a reasonable suspicion of, embezzlement or other
33 unlawful appropriation of money held in trust, the provider immediately shall notify the
34 administrator by a method approved by the administrator. Unless the administrator by
35 rule provides otherwise, within five days thereafter, the provider shall give notice to the
36 administrator describing the remedial action taken or to be taken.

37 8. If an individual terminates an agreement or it becomes reasonably apparent to
38 a provider that a plan has failed, the provider shall promptly refund to the individual all
39 money paid by or on behalf of the individual which has not been paid to creditors, less fees
40 that are payable to the provider under section 425.094.

41 9. Before relocating a trust account from one bank to another, a provider shall
42 inform the administrator of the name, business address, and telephone number of the new
43 bank. As soon as practicable, the provider shall inform the administrator of the account
44 number of the trust account at the new bank.

425.094. 1. A provider shall not impose directly or indirectly a fee or other charge
2 on an individual or receive money from or on behalf of an individual for debt-management
3 services except as permitted by this section.

4 2. A provider shall not impose charges or receive payment for debt-management
5 services until the provider and the individual have signed an agreement that complies with
6 sections 425.086 and 425.104.

7 3. If an individual assents to an agreement, a provider shall not impose a fee or
8 other charge for educational or counseling services, or the like, except as otherwise
9 provided in this subsection and subsection 4 of section 425.104. The administrator may
10 authorize a provider to charge a fee based on the nature and extent of the educational or
11 counseling services furnished by the provider.

12 4. Subject to adjustment of dollar amounts under subsection 6 of section 425.112,
13 the following rules apply:

14 (1) If an individual assents to a plan that contemplates that creditors will reduce
15 finance charges or fees for late payment, default, or delinquency, the provider may charge:

16 (a) A fee not exceeding fifty dollars for consultation, obtaining a credit report,
17 setting up an account, and the like; and

18 (b) A monthly service fee, not to exceed ten dollars times the number of creditors
19 remaining in a plan at the time the fee is assessed, but not more than fifty in any month;

20 (2) If an individual assents to a plan that contemplates that creditors may settle
21 debts for less than the principal amount of the debt, a provider may charge:

22 (a) Subject to subsection 4 of section 425.086, a fee for consultation, obtaining a
23 credit report, setting up an account, and the like, in an amount not exceeding the lesser of
24 four hundred dollars and four percent of the debt in the plan at the inception of the plan;
25 and

26 (b) A monthly service fee, not to exceed ten dollars times the number of creditors
27 remaining in a plan at the time the fee is assessed, but not more than fifty dollars in any
28 month;

29 (3) A provider shall not impose or receive fees under both subdivisions (1) and (2)
30 of this subsection.

31 (4) Except as otherwise provided in subsection 4 of section 425.104, if an individual
32 does not assent to an agreement, a provider may receive for educational and counseling
33 services it provides to the individual a fee not exceeding one hundred dollars or, with the
34 approval of the administrator, a larger fee. The administrator may approve a fee larger
35 than one hundred dollars if the nature and extent of the educational and counseling
36 services warrant the larger fee.

37 5. If, before the expiration of ninety days after the completion or termination of
38 educational or counseling services, an individual assents to an agreement, the provider
39 shall refund to the individual any fee paid under subdivision (4) of subsection 4 of this
40 section.

41 6. Except as otherwise provided in subsections 3 and 4 of this section, if a plan
42 contemplates that creditors may settle an individual's debts for less than the principal
43 amount of the debt, compensation for services in connection with settling a debt shall not
44 exceed, with respect to each debt thirty percent of the excess of the principal amount of the
45 debt over the amount paid the creditor under the plan less to the extent it has not been
46 credited against an earlier settlement fee:

47 (1) The fee charged under paragraph (a) of subdivision (2) of subsection 4 of this
48 section; and

49 (2) The aggregate of fees charged under paragraph (b) of subdivision (2) of
50 subsection 4 of this section.

51 7. Subject to adjustment of the dollar amount under subsection 6 of section 425.112,
52 if a payment to a provider by an individual under sections 425.050 to 425.132 is
53 dishonored, a provider may impose a reasonable charge on the individual, not to exceed
54 the lesser of twenty-five dollars and the amount permitted by law other than under sections
55 425.050 to 425.132.

 425.096. A provider shall not solicit a voluntary contribution from an individual
2 or an affiliate of the individual for any service provided to the individual. A provider may

3 accept voluntary contributions from an individual but, until thirty days after completion
4 or termination of a plan, the aggregate amount of money received from or on behalf of the
5 individual shall not exceed the total amount the provider may charge the individual under
6 section 425.094.

425.098. 1. If a provider imposes a fee or other charge or receives money or other
2 payments not authorized by section 425.094 or 425.096, the individual may void the
3 agreement and recover as provided in section 425.118.

4 2. If a provider is not registered as required by sections 425.050 to 425.132 when
5 an individual assents to an agreement, the agreement is voidable by the individual.

6 3. If an individual voids an agreement under subsection 2 of this section, the
7 provider shall not have a claim against the individual for breach of contract or for
8 restitution.

425.100. 1. If an individual who has entered into an agreement fails for sixty days
2 to make payments required by the agreement, a provider may terminate the agreement.

3 2. If a provider or an individual terminates an agreement, the provider shall
4 immediately return to the individual:

5 (1) Any money of the individual held in trust for the benefit of the individual; and

6 (2) Sixty-five percent of any portion of the set-up fee received under subdivision (2)
7 of subsection 4 of section 425.094 which has not been credited against settlement fees.

425.102. 1. A provider shall provide the accounting required by subsection 2 of this
2 section:

3 (1) Upon cancellation or termination of an agreement; and

4 (2) Before cancellation or termination of any agreement:

5 (a) At least once each month; and

6 (b) Within five business days after a request by an individual, but the provider
7 need not comply with more than one request in any calendar month.

8 2. A provider, in a record, shall provide each individual for whom it has established
9 a plan, an accounting of the following information:

10 (1) The amount of money received from the individual since the last report;

11 (2) The amounts and dates of disbursement made on the individual's behalf, or by
12 the individual upon the direction of the provider, since the last report to each creditor
13 listed in the plan;

14 (3) The amounts deducted from the amount received from the individual;

15 (4) The amount held in reserve; and

16 (5) If, since the last report, a creditor has agreed to accept as payment in full an
17 amount less than the principal amount of the debt owed by the individual:

- 18 (a) The total amount and terms of the settlement;
19 (b) The amount of the debt when the individual assented to the plan;
20 (c) The amount of the debt when the creditor agreed to the settlement; and
21 (d) The calculation of a settlement fee.

22 3. A provider shall maintain records for each individual for whom it provides
23 debt-management services for five years after the final payment made by the individual
24 and produce a copy of the records to the individual within a reasonable time after a request
25 for the records. The provider may use electronic or other means of storage of the records.

425.104. 1. A provider shall not, directly or indirectly:

- 2 (1) Misappropriate or misapply money held in trust;

4 principal amount of the debt owed a creditor, unless the individual assents to the
5 settlement after the creditor has assented;
6 (3) Take a power of attorney that authorizes it to settle a debt, unless the power of
7 attorney expressly limits the provider's authority to settle debts for not more than fifty
8 percent of the principal amount of the debt owed a creditor;
9 (4) Exercise or attempt to exercise a power of attorney after an individual has
10 terminated an agreement;
11 (5) Initiate a transfer from an individual's account at a bank or with another
12 person unless the transfer is:
13 (a) A return of money to the individual; or
14 (b) Before termination of an agreement, properly authorized by the agreement and
15 sections 425.050 to 425.132, and for:

19 for executing an agreement;
20 (7) Offer, pay, or give a gift or bonus, premium, reward, or other compensation to
21 a person for referring a prospective customer, if the person making the referral has a
22 financial interest in the outcome of debt-management services provided to the customer,
23 unless neither the provider nor the person making the referral communicates to the
24 prospective customer the identity of the source of the referral;
25 (8) Receive a bonus, commission, or other benefit for referring an individual to a
26 person;

- 27 **(9) Structure a plan in a manner that would result in a negative amortization of any**
28 **of an individual's debts, unless a creditor that is owed a negatively amortizing debt agrees**
29 **to refund or waive the finance charge upon payment of the principal amount of the debt;**
- 30 **(10) Compensate its employees on the basis of a formula that incorporates the**
31 **number of individuals the employee induces to enter into agreements;**
- 32 **(11) Settle a debt or lead an individual to believe that a payment to a creditor is in**
33 **settlement of a debt to the creditor unless, at the time of settlement, the individual receives**
34 **a certification by the creditor that the payment is in full settlement of the debt;**
- 35 **(12) Make a representation that:**
- 36 **(a) The provider will furnish money to pay bills or prevent attachments;**
- 37 **(b) Payment of a certain amount will permit satisfaction of a certain amount or**
38 **range of indebtedness; or**
- 39 **(c) Participation in a plan will or may prevent litigation, garnishment, attachment,**
40 **repossession, foreclosure, eviction, or loss of employment;**
- 41 **(13) Misrepresent that it is authorized or competent to furnish legal advice or**
42 **perform legal services;**
- 43 **(14) Represent that it is a not-for-profit entity unless it is organized and properly**

46 **Internal Revenue Service;**
- 47 **(15) Take a confession of judgment or power of attorney to confess judgment**
48 **against an individual; or**
- 49 **(16) Employ an unfair, unconscionable, or deceptive act or practice, including the**
50 **knowing omission of any material information.**
- 51 **2. If a provider furnishes debt-management services to an individual, the provider**
52 **shall not, directly or indirectly:**
- 53 **(1) Purchase a debt or obligation of the individual;**
- 54 **(2) Receive from or on behalf of the individual:**
- 55 **(a) A promissory note or other negotiable instrument other than a check or a**
56 **demand draft; or**
- 57 **(b) A post-dated check or demand draft;**
- 58 **(3) Lend money or provide credit to the individual, except as a deferral of a**
59 **settlement fee at no additional expense to the individual;**
- 60 **(4) Obtain a mortgage or other security interest from any person in connection with**
61 **the services provided to the individual;**

62 (5) Except as permitted by federal law, disclose the identity or identifying
63 information of the individual or the identity of the individual's creditors, except to:

64 (a) The administrator, upon proper demand;

65 (b) A creditor of the individual, to the extent necessary to secure the cooperation
66 of the creditor in a plan; or

67 (c) The extent necessary to administer the plan;

68 (6) Except as otherwise provided in subsection 6 of section 425.094, provide the
69 individual less than the full benefit of a compromise of a debt arranged by the provider;

70 (7) Charge the individual for or provide credit or other insurance, coupons for
71 goods or services, membership in a club, access to computers or the Internet, or any other
72 matter not directly related to debt-management services or educational services concerning
73 personal finance; or

74 (8) Furnish legal advice or perform legal services, unless the person furnishing that
75 advice to or performing those services for the individual is licensed to practice law.

76 3. Sections 425.050 to 425.132 shall not authorize any person to engage in the
77 practice of law.

78 4. A provider shall not receive a gift or bonus, premium, reward, or other
79 compensation, directly or indirectly, for advising, arranging, or assisting an individual in
80 connection with obtaining, an extension of credit or other service from a lender or service
81 provider, except for educational or counseling services required in connection with a
82 government-sponsored program.

83 5. Unless a person supplies goods, services, or facilities generally and supplies them
84 to the provider at a cost no greater than the cost the person generally charges to others, a
85 provider shall not purchase goods, services, or facilities from the person if an employee or
86 a person that the provider should reasonably know is an affiliate of the provider:

87 (1) Owns more than ten percent of the person; or

88 (2) Is an employee or affiliate of the person.

 425.106. No later than thirty days after a provider has been served with notice of
2 a civil action for violation of sections 425.050 to 425.132 by or on behalf of an individual
3 who resides in this state at either the time of an agreement or the time the notice is served,
4 the provider shall notify the administrator in a record that it has been sued.

 425.108. A provider that advertises debt-management services shall disclose, in an
2 easily comprehensible manner, the information specified in subdivisions (3) and (4) of
3 subsection 4 of section 425.082.

 425.110. If a provider delegates any of its duties or obligations under an agreement
2 or under sections 425.050 to 425.132 to another person, including an independent

3 contractor, the provider is liable for conduct of the person which, if done by the provider,
4 would violate the agreement or sections 425.050 to 425.132.

2 425.112. 1. The administrator may act on its own initiative or in response to
3 complaints and may receive complaints, take action to obtain voluntary compliance with
4 sections 425.050 to 425.132, and seek or provide remedies as provided under sections
4 425.050 to 425.132.

5 2. The administrator may investigate and examine, in this state or elsewhere, by
6 subpoena or otherwise, the activities, books, accounts, and records of a person that
7 provides or offers to provide debt-management services, or a person to which a provider
8 has delegated its obligations under an agreement or under sections 425.050 to 425.132, to
9 determine compliance under sections 425.050 to 425.132. Information that identifies
10 individuals who have agreements with the provider shall not be disclosed to the public. In
11 connection with the investigation, the administrator may:

12 (1) Charge the person the reasonable expenses necessarily incurred to conduct the
13 examination;

14 (2) Require or permit a person to file a statement under oath as to all the facts and
15 circumstances of a matter to be investigated; and

16 (3) Seek a court order authorizing seizure from a bank at which the person
17 maintains a trust account required by section 425.092, any or all money, books, records,
18 accounts, and other property of the provider that is in the control of the bank and relates
19 to individuals who reside in this state.

20 3. The administrator may adopt rules to implement the provisions of sections
21 425.050 to 425.132 in accordance with chapter 536, RSMo.

22 4. The administrator may enter into cooperative arrangements with any other
23 federal or state agency having authority over providers and may exchange with any of
24 those agencies information about a provider, including information obtained during an
25 examination of the provider.

26 5. The administrator, by rule, shall establish reasonable fees to be paid by
27 providers for the expense of administering sections 425.050 to 425.132.

28 6. The administrator, by rule, shall adopt dollar amounts instead of those specified
29 in sections 425.052, 425.058, 425.066, 425.074, 425.094, 425.114, and 425.118 to reflect
30 inflation, as measured by the United States Bureau of Labor Statistics Consumer Price
31 Index for All Urban Consumers or, if that index is not available, another index adopted by
32 rule by the administrator. The administrator shall adopt a base year and adjust the dollar
33 amounts, effective on July first of each year, if the change in the index from the base year,
34 as of December thirty-first of the preceding year, is at least ten percent. The dollar amount

35 shall be rounded to the nearest one hundred dollars, except that the amounts in section
36 425.094 must be rounded to the nearest dollar.

37 7. The administrator shall notify registered providers of any change in dollar
38 amounts made under subsection 6 of this section and make that information available to
39 the public.

425.114. 1. The administrator may enforce sections 425.050 to 425.132 and rules
2 adopted under sections 425.050 to 425.132 by taking one or more of the following actions:

3 (1) Ordering a provider or a director, employee, or other agent of a provider to
4 cease and desist from any violations;

5 (2) Ordering a provider or a person that has caused a violation to correct the
6 violation, including making restitution of money or property to a person aggrieved by a
7 violation;

8 (3) Subject to adjustment of the dollar amount under subsection 6 of section
9 425.112, imposing on a provider or a person that has caused a violation a civil penalty not
10 exceeding ten thousand dollars for each violation;

11 (4) Prosecuting a civil action to:

12 (a) Enforce an order; or

13 (b) Obtain restitution or an injunction or other equitable relief, or both;

14 (5) Intervening in an action brought under section 425.118.

15 2. Subject to adjustment of the dollar amount under subsection 6 of section 425.118,
16 if a person violates or knowingly authorizes, directs, or aids in the violation of a final order
17 issued under subdivision (1) or (2) of subsection 1 of this section, the administrator may
18 impose a civil penalty not exceeding twenty thousand dollars for each violation.

19 3. The administrator may maintain an action to enforce sections 425.050 to 425.132
20 in any county.

21 4. The administrator may recover the reasonable costs of enforcing sections 425.050
22 to 425.132 under subsections 1 to 3 of this section, including attorney's fees based on the
23 hours reasonably expended and the hourly rates for attorneys of comparable experience
24 in the community.

25 5. In determining the amount of a civil penalty to impose under subsection 1 or 2
26 of this section, the administrator shall consider the seriousness of the violation, the good
27 faith of the violator, any previous violations by the violator, the deleterious effect of the
28 violation on the public, the net worth of the violator, and any other factor the
29 administrator considers relevant to the determination of the civil penalty.

425.116. 1. As used in this section, "insolvent" means:

2 (1) Having generally ceased to pay debts in the ordinary course of business other
3 than as a result of good-faith dispute;

4 (2) Being unable to pay debts as they become due; or

5 (3) Being insolvent within the meaning of the federal bankruptcy law, 11 U.S.C. 101
6 et seq., as amended.

7 2. The administrator may suspend, revoke, or deny renewal of a provider's
8 registration if:

9 (1) A fact or condition exists that, if it had existed when the registrant applied for
10 registration as a provider, would have been a reason for denying registration;

11 (2) The provider has committed a material violation under sections 425.050 to
12 425.132 or a rule or order of the administrator under sections 425.050 to 425.132;

13 (3) The provider is insolvent;

14 (4) The provider or an employee or affiliate of the provider has refused to permit
15 the administrator to make an examination authorized under sections 425.050 to 425.132,
16 failed to comply with subdivision (2) of subsection 2 of section 425.112 within fifteen days
17 after request, or made a material misrepresentation or omission in complying with
18 subdivision (2) of subsection 2 of section 425.112; or

19 (5) The provider has not responded within a reasonable time and in an appropriate
20 manner to communications from the administrator.

21 3. If a provider does not comply with subsection 6 of section 425.092 or if the
22 administrator otherwise finds that the public health or safety or general welfare requires
23 emergency action, the administrator may order a summary suspension of the provider's
24 registration, effective on the date specified in the order.

25 4. If the administrator suspends, revokes, or denies renewal of the registration of
26 a provider, the administrator may seek a court order authorizing seizure of any or all of
27 the money in a trust account required by section 425.112, books, records, accounts, and
28 other property of the provider which are located in this state.

29 5. If the administrator suspends or revokes a provider's registration, the provider
30 may appeal and request a hearing under chapter 536, RSMo.

 425.118. 1. If an individual voids an agreement under section 425.098, the
2 individual may recover in a civil action all money paid or deposited by or on behalf of the
3 individual under the agreement, except amounts paid to creditors, in addition to the
4 recovery under subdivisions (3) and (4) of subsection 3 of this section.

5 2. If an individual voids an agreement under subsection 1 of section 425.098, the
6 individual may recover in a civil action three times the total amount of the fees, charges,

7 money, and payments made by the individual to the provider, in addition to the recovery
8 under subdivision (4) of subsection 3 of this section.

9 3. Subject to subsection 4 of this section, an individual with respect to whom a
10 provider violates under sections 425.050 to 425.132 may recover in a civil action from the
11 provider and any person that caused the violation:

12 (1) Compensatory damages for injury, including noneconomic injury, caused by
13 the violation;

14 (2) Except as otherwise provided in subsection 4 of this section and subject to
15 adjustment of the dollar amount under subsection 6 of section 425.112, with respect to a
16 violation of section 425.082, 425.086, 425.088, 425.090, 425.092, 425.094, 425.096, or
17 425.102, or subsection 1, 2, or 4 of section 425.104, the greater of the amount recoverable
18 under subdivision (1) of this subsection or five thousand dollars;

19 (3) Punitive damages; and

20 (4) Reasonable attorney's fees and costs.

21 4. In a class action, except for a violation of subdivision (5) of subsection 1 of section
22 425.108, the minimum damages provided in subdivision (2) of subsection 3 of this section
23 do not apply.

24 5. In addition to the remedy available under subsection 3 of this section, if a
25 provider violates an individual's rights under section 425.088, the individual may recover
26 in a civil action all money paid or deposited by or on behalf of the individual under the
27 agreement, except for amounts paid to creditors.

28 6. A provider is not liable under this section for a violation under sections 425.050
29 to 425.132 if the provider proves that the violation was not intentional and resulted from
30 a good-faith error notwithstanding the maintenance of procedures reasonably adapted to
31 avoid the error. An error of legal judgment with respect to a provider's obligations under
32 sections 425.050 to 425.132 is not a good-faith error. If, in connection with a violation, the
33 provider has received more money than authorized by an agreement or under sections
34 425.050 to 425.132, the defense provided by this subsection is not available unless the
35 provider refunds the excess within two business days of learning of the violation.

36 7. The administrator shall assist an individual in enforcing a judgment against the
37 surety bond or other security provided under section 425.074 or 425.076.

 425.120. If an act or practice of a provider violates both sections 425.050 to 425.132
2 and chapter 407, RSMo, an individual shall not recover under both for the same act or
3 practice.

425.122. 1. An action or proceeding brought under subsection 1, 2, or 3 of section 425.114 shall be commenced within four years after the conduct that is the basis of the administrator's complaint.

2. An action brought under section 425.118 shall be commenced within two years after the latest of:

(1) The individual's last transmission of money to a provider;

(2) The individual's last transmission of money to a creditor at the direction of the provider;

(3) The provider's last disbursement to a creditor of the individual;

(4) The provider's last accounting to the individual under subsection 1 of section 425.102;

(5) The date on which the individual discovered or reasonably should have discovered the facts giving rise to the individual's claim; or

(6) Termination of actions or proceedings by the administrator with respect to a violation under sections 425.050 to 425.132.

3. The period prescribed in subdivision (5) of subsection 2 of this section is tolled during any period during which the provider or, if different, the defendant has materially and willfully misrepresented information required under sections 425.050 to 425.132 to be disclosed to the individual, if the information so misrepresented is material to the establishment of the liability of the defendant under sections 425.050 to 425.132.

425.124. In applying and construing sections 425.050 to 425.132, consideration shall be given to the need to promote uniformity of the law with respect to its subject matter among states that enact similar sections.

425.126. As authorized in 15 U.S.C 7002, as amended, sections 425.050 to 425.132 modify, limit, and supersede the federal Electronic Signatures in Global and National Commerce Act (15 U.S.C. 7001 et seq.), but do not modify, limit, or supersede section 101(c) of that Act (15 U.S.C. 7001(c)), as amended, or authorize electronic delivery of any of the notices described in section 103(b) of that Act (15 U.S.C. 7003(b)), as amended.

425.128. Transactions entered into before sections 425.050 to 425.132 takes effect and the rights, duties, and interests resulting from them may be completed, terminated, or enforced as required or permitted by a law amended, repealed, or modified under sections 425.050 to 425.132 as though the amendment, repeal, or modification had not occurred.

425.130. If any provision under sections 425.050 to 425.132 or its application to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of sections 425.050 to 425.132 that can be given effect without the invalid provision or application, and the provisions of sections 425.050 to 425.132 are severable.

425.132. Sections 425.050 to 425.132 shall become effective August 28, 2009.

[425.010. As used in this chapter, the following terms mean:

[425.040. The following persons shall not be considered debt adjusters for the purposes of this chapter:
