AN ACT

To repeal sections 168.110 and 168.126, RSMo, and to enact in lieu thereof two new sections relating to teacher salaries.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Sections 168.110 and 168.126, RSMo, are repealed and two new sections
2 enacted in lieu thereof, to be known as sections 168.110 and 168.126, to read as follows:

168.110. The board of education of a school district may modify an indefinite contract
2 annually on or before the fifteenth day of May in the following particulars:

3 (1) Determination of the date of beginning and length of the next school year;

4 (2) Fixing the amount of annual compensation for the following school year as provided
5 by the salary schedule adopted by the board of education applicable to all teachers **who are**
6 **similar in relevant experience and credentials, not limited to years of teaching experience**
7 **and academic credentials. A salary schedule may include other qualifications in addition**
8 **to experience and credentials, such as measurable classroom performance, as long as the**
9 **schedule applies equitably to all teachers who are similar in such qualifications.** The
10 modifications shall be effective at the beginning of the next school year. All teachers affected
11 by the modification shall be furnished written copies of the modifications within thirty days after
12 their adoption by the board of education.

168.126. 1. A board of education at a regular or special meeting may contract with and
2 employ by a majority vote legally qualified probationary teachers for the school district. The
3 contract shall be made by order of the board; shall specify the number of months school is to be

4 taught and the wages per month to be paid; shall be signed by the probationary teacher and the
5 president of the board, or a facsimile signature of the president may be affixed at his discretion;
6 and the contract shall be attested by the secretary of the board by signature or facsimile.
7 **Districts may provide hiring incentives or salary schedule modifications, which may**
8 **include but are not limited to credit for all prior years of service in another district, to**
9 **attract and retain teachers based upon demonstrated need for teachers certified in shortage**
10 **areas. Districts may also provide such incentives or schedule modifications to attract and**
11 **retain teachers with experience or credentials that are exceptionally well suited to a**
12 **district's needs for academic improvement. In exchange for such incentives, teachers may**
13 **be required to teach in the district offering the incentive for a period of up to three school**
14 **years. Districts shall have the decision-making authority on whether to provide such**
15 **incentives and modifications within the limits of this section.** The board shall not employ one
16 of its members as a teacher; nor shall any person be employed as a teacher who is related within
17 the fourth degree to any board member, either by consanguinity or affinity, where the vote of the
18 board member is necessary to the selection of the person.

19 2. If in the opinion of the board of education any probationary teacher has been doing
20 unsatisfactory work, the board of education, through its authorized administrative representative,
21 shall provide the teacher with a written statement definitely setting forth his alleged
22 incompetency and specifying the nature thereof, in order to furnish the teacher an opportunity
23 to correct his fault and overcome his incompetency. If improvement satisfactory to the board of
24 education has not been made within ninety days of the receipt of the notification, the board of
25 education may terminate the employment of the probationary teacher immediately or at the end
26 of the school year. Any motion to terminate the employment of a probationary teacher shall
27 include only one person and must be approved by a majority of the members of the board of
28 education. A tie vote thereon constitutes termination. On or before the fifteenth day of April in
29 each school year, the board of education shall notify in writing a probationary teacher who will
30 not be retained by the school district of the termination of his employment. Upon request, the
31 notice shall contain a concise statement of the reason or reasons the employment of the
32 probationary teacher is being terminated. If the reason for the termination is due to a decrease
33 in pupil enrollment, school district reorganization, or the financial condition of the school
34 district, then the district shall in all cases issue notice to the teacher expressly declaring such as
35 the reason for such termination. Nothing contained in this section shall give rise to a cause of
36 action not currently cognizant at law by a probationary teacher for any reason given in said
37 writing so long as the board issues the letter in good faith without malice, but an action for actual
38 damages may be maintained by any person for the deprivation of a right conferred by this act.

39 3. Any probationary teacher who is not notified of the termination of his employment
40 shall be deemed to have been appointed for the next school year, under the terms of the contract
41 for the preceding year. A probationary teacher who is informed of reemployment by written
42 notice shall be tendered a contract on or before the fifteenth day of May, and shall within fifteen
43 days thereafter present to the employing board of education a written acceptance or rejection of
44 the employment tendered, and failure of such teachers to present the acceptance within such time
45 constitutes a rejection of the board's offer. A contract between a probationary teacher and a
46 board of education may be terminated or modified at any time by the mutual consent of the
47 parties thereto.
