3 (1) Forty cents for each gram, or fraction thereof, of harvested marijuana stems
4 and stalks that have been separated from and are not mixed with any other parts of the

- 18 2. A quantity of marijuana or other unauthorized substance shall be measured by
19 the weight of the substance whether pure, impure or dilute, or by the number of dosage
20 units in the dealer's possession when the substance is not sold by weight. A quantity of an
21 unauthorized substance shall be deemed dilute if it consists of a detectable quantity of pure
22 controlled substance and any excipients or fillers.
- 23 3. An excise tax is hereby levied on illicit alcoholic beverages possessed by a dealer
24 at the following rates:
- 25 (1) Thirty-one dollars and seventy cents for each gallon, or fraction thereof, of illicit
26 alcoholic beverages sold by the drink; or
- 27 (2) Twelve dollars and eighty cents for each gallon, or fraction thereof, of illicit
28 alcoholic beverages not sold by the drink.
- 29 4. For purposes of this section, a person constructively possesses an unauthorized
30 substance when the person has knowledge of the substance and the ability and intention
31 to exercise control over the substance.
- 32 5. The tax levied in this section shall not apply to a substance in the possession of
33 a dealer who is authorized by law to possess the substance. This exemption shall apply
34 only during the time the dealer's possession of the substance is authorized by law.
- 35 6. The tax levied in this section shall not apply to the following marijuana:
- 36 (1) Harvested mature marijuana stalks when separated from and not mixed with
37 any other parts of the marijuana plant;
- 38 (2) Fiber or any other product of marijuana stalks described in subdivision (1) of
39 this subsection, except resin extracted from the stalks;
- 40 (3) Marijuana seeds that have been sterilized and are incapable of germination; or
- 41 (4) Roots of the marijuana plant.

195.562. 1. The director shall issue stamps to affix to unauthorized substances to
2 indicate payment of the tax required by sections 195.560 to 195.565. Dealers shall report
3 the taxes payable at the time and on the form prescribed by the director. Dealers shall not
4 be required to give their name, address, Social Security number, or other identifying
5 information on the form. Upon payment of the tax, the director shall issue stamps in an

6 amount equal to the amount of the tax paid. Taxes shall be paid and stamps shall be issued
7 either by mail or in person.

8 2. Every law enforcement agency shall report to the department of revenue within
9 forty-eight hours after seizing an unauthorized substance, or making an arrest of an
10 individual in possession of an unauthorized substance, listed in this subsection upon which
11 a stamp has not been affixed. The report shall be in the manner prescribed by the director,
12 and shall include the time and place of the arrest or seizure, the amount, location, and kind
13 of substance, the identification of any individual in possession of the substance and such
14 individual's Social Security number, and any other information prescribed by the director.
15 The report shall be made when the arrest or seizure involves any of the following
16 unauthorized substances upon which a stamp has not been affixed as required by sections
17 195.560 to 195.565:

- 18 (1) More than thirty-five grams of marijuana;
- 19 (2) One or more marijuana plants;
- 20 (3) Any illicit alcoholic beverage;
- 21 (4) Seven or more grams of any other unauthorized substance that is sold by
22 weight; or
- 23 (5) Ten or more dosage units of any other unauthorized substance that is not sold
24 by weight.

25 3. Any report from any crime laboratory in the state relating to the testing,
26 analysis, or identification of any unstamped unauthorized substance seized by any law
27 enforcement agency shall be provided to the department of revenue within ten days of the
28 laboratory's findings for the purposes of sections 195.560 to 195.565.

195.563. 1. The tax imposed under sections 195.560 to 195.565 shall be paid by any
2 dealer who actually or constructively possesses an unauthorized substance in this state
3 upon which the tax has not been paid as evidenced by a stamp issued by the director. The
4 tax shall be paid within forty-eight hours after the dealer acquires actual or constructive
5 possession of a nontax-paid unauthorized substance, exclusive of Saturdays, Sundays, and
6 legal holidays of this state, in which case the tax shall be paid on the next business day. If
7 the tax is not paid within forty-eight hours, the tax shall become delinquent and shall
8 accrue penalties and any interest under section 32.065, RSMo. Upon payment of the tax,
9 the dealer shall permanently affix the appropriate stamps to the unauthorized substance.
10 Once the tax due on an unauthorized substance has been paid, no additional tax is due
11 under sections 195.560 to 195.565 even though the unauthorized substance may be handled
12 by other dealers. If a dealer is found in possession of a substance taxable under sections
13 195.560 to 195.565 that does not have the appropriate tax stamp affixed, it shall be

14 presumed the dealer has been in possession of such substance for longer than forty-eight
15 hours, exclusive of Saturdays, Sundays, and legal holidays of this state.

16 2. Notwithstanding any other provision of law to the contrary, an assessment
17 against a dealer who possesses an unauthorized substance to which a stamp has not been
18 affixed as required by sections 195.560 to 195.565 shall be made as provided in this section.
19 The director shall immediately assess the tax, applicable penalty, and interest based on any
20 information brought to the attention of the director, or the director's duly authorized
21 assistants, that a person is liable for unpaid tax under sections 195.560 to 195.565. The tax
22 shall be assessed in the same manner as any other tax assessment, except when sections
23 195.560 to 195.565 specify otherwise. The director shall notify the dealer in writing of the
24 amount of the tax, penalty, and interest due, and demand its immediate payment. The
25 notice of assessment and demand for payment shall be either mailed to the dealer at the
26 dealer's last known address or served on the dealer in person. If the dealer does not pay
27 the tax, penalty, and interest immediately upon receipt of the notice and demand, the
28 director shall collect the assessment, including penalty and interest, under the procedures
29 in chapter 140, RSMo, unless the dealer files with the director sufficient security in the
30 amount of the assessment, including penalty and interest. If security is not provided, the
31 director shall use all means available to collect the assessment from any property in which
32 the dealer has a legal, equitable, or beneficial interest. Any claim for a refund of the taxes
33 paid shall be filed within six months of the date of payment of the tax.

195.564. 1. There is hereby created in the state treasury the "State Unauthorized
2 Substances Tax Fund", which shall consist of moneys collected under sections 195.560 to
3 195.565. The state treasurer shall be custodian of the fund and shall approve
4 disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon
5 appropriation, moneys in the fund shall be used solely for the administration of sections
6 195.560 to 195.565. Notwithstanding the provisions of section 33.080, RSMo, to the
7 contrary, any moneys remaining in the fund at the end of the biennium shall not revert to
8 the credit of the general revenue fund. The state treasurer shall invest moneys in the fund
9 in the same manner as other funds are invested. Any interest and moneys earned on such
10 investments shall be credited to the fund.

11 2. The director shall credit the proceeds of the tax levied under sections 195.560 to
12 195.565 to the state unauthorized substances tax fund until the tax proceeds are
13 unencumbered. The state treasurer shall remit the unencumbered tax proceeds as
14 provided in this section on a quarterly or more frequent basis.

15 3. (1) Tax proceeds shall be deemed unencumbered under this section when:

16 (a) The tax has been paid and the collection process completed; and

17 (b) a. The taxpayer has no current right to file a refund claim, and the paid tax is
18 not the subject of any pending lawsuit for the recovery of that tax; or

19 b. The time for the taxpayer to file suit for a refund has expired.

20 (2) The state treasurer shall first apply the unencumbered tax proceeds to the costs
21 of storing and disposing of the assets seized in payment of the assessment under sections
22 195.560 to 195.565, which costs shall be added to and become part of the assessment. The
23 state treasurer shall remit the remaining unencumbered tax proceeds that were collected
24 by assessment to each of the following entities in the following percentages:

25 (a) The department of revenue, twenty percent, for the cost of collection;

26 (b) The department of health and senior services, ten percent, to fund drug
27 treatment and anti-drug public awareness programs;

28 (c) The department of public safety, seventy percent, to fund multijurisdictional
29 enforcement groups, as defined in this chapter, for the purpose of investigating, combating,
30 preventing, and reducing drug-related crimes, to be distributed based on population served
31 and demonstrated need as determined by the department of public safety.

32 4. Notwithstanding any other provision of this section to the contrary, in the event
33 the tax levied under sections 195.560 to 195.565 is voluntarily paid to the department of
34 revenue, and not as a result of an investigation or arrest by a law enforcement agency, such
35 voluntarily paid tax shall be considered unencumbered upon payment, and the director
36 shall credit the entire tax proceeds to the general revenue fund.

 195.565. 1. The provisions of sections 195.560 to 195.565 shall not be construed to
2 confer any immunity from criminal prosecution or conviction for a violation of sections
3 195.005 to 195.425 upon any person who voluntarily pays the tax imposed under sections
4 195.560 to 195.565 or who otherwise complies with sections 195.560 to 195.565.

5 2. Notwithstanding any other provision of law to the contrary, information
6 obtained under sections 195.560 to 195.565 shall be confidential and, unless independently
7 obtained, shall not be used in a criminal prosecution other than a prosecution for a
8 violation of sections 195.560 to 195.565. Stamps issued under sections 195.560 to 195.565
9 shall not be used in a criminal prosecution other than a prosecution for a violation of
10 sections 195.560 to 195.565. Nothing in this section nor section 32.057, RSMo, shall be
11 construed to prohibit the director from publishing statistics that do not disclose the identity
12 of dealers or the contents of particular returns or reports.

13 3. There is hereby established a commission to review the rates of the tax levied
14 under sections 195.560 to 195.565 and to make recommendations concerning increases in
15 the rate of the tax to the general assembly. The commission shall be known as the
16 "Unauthorized Substance Tax Commission", and shall consist of five members as follows:

- 17 (1) The superintendent of the Missouri state highway patrol;
18 (2) The director of the Missouri state highway patrol crime laboratory;
19 (3) The director of the department of revenue;
20 (4) Two members who are employees of any county or municipal law enforcement
21 agency, to be appointed by the governor.

22

23 Of the initial members appointed by the governor, one shall hold office for one year, and
24 one shall hold office for two years. Members appointed after expiration of the initial terms
25 shall be appointed to a two-year term. Each member may be reappointed. Vacancies shall
26 be filled by appointment by the governor for the remainder of the unexpired term. The
27 members shall not receive compensation for their services, but may be reimbursed for their
28 actual and necessary expenses incurred in service of the commission.

29 4. The department of revenue may promulgate rules to implement the provisions
30 of sections 195.560 to 195.565. Any rule or portion of a rule, as that term is defined in
31 section 536.010, RSMo, that is created under the authority delegated in this section shall
32 become effective only if it complies with and is subject to all of the provisions of chapter
33 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536,
34 RSMo, are nonseverable and if any of the powers vested with the general assembly under
35 chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule
36 are subsequently held unconstitutional, then the grant of rulemaking authority and any
37 rule proposed or adopted after August 28, 2008, shall be invalid and void.
