137.115. 1. All other laws to the contrary notwithstanding, the assessor
2 or the assessor's deputies in all counties of this state including the city of St.
3 Louis shall annually make a list of all real and tangible personal property taxable
4 in the assessor's city, county, town or district. Except as otherwise provided in
5 subsection 3 of this section and section 137.078, the assessor shall annually
6 assess all personal property at thirty-three and one-third percent of its true value
7 in money as of January first of each calendar year. The assessor shall annually
8 assess all real property, including any new construction and improvements to real
9 property, and possessory interests in real property at the percent of its true value
10 in money set in subsection 5 of this section. The assessor shall annually assess
11 all real property in the following manner: new assessed values shall be
12 determined as of January first of each odd-numbered year and shall be entered
13 in the assessor's books; those same assessed values shall apply in the following
14 even-numbered year, except for new construction and property improvements
15 which shall be valued as though they had been completed as of January first of
16 the preceding odd-numbered year. The assessor may call at the office, place of
17 doing business, or residence of each person required by this chapter to list
18 property, and require the person to make a correct statement of all taxable
19 tangible personal property owned by the person or under his or her care, charge
20 or management, taxable in the county. On or before January first of each
21 even-numbered year, the assessor shall prepare and submit a two-year
22 assessment maintenance plan to the county governing body and the state tax
23 commission for their respective approval or modification. The county governing
24 body shall approve and forward such plan or its alternative to the plan to the
25 state tax commission by February first. If the county governing body fails to
26 forward the plan or its alternative to the plan to the state tax commission by
27 February first, the assessor's plan shall be considered approved by the county
28 governing body. If the state tax commission fails to approve a plan and if the
29 state tax commission and the assessor and the governing body of the county
30 involved are unable to resolve the differences, in order to receive state cost-share
31 funds outlined in section 137.750, the county or the assessor shall petition the
32 administrative hearing commission, by May first, to decide all matters in dispute
33 regarding the assessment maintenance plan. Upon agreement of the parties, the
34 matter may be stayed while the parties proceed with mediation or arbitration
35 upon terms agreed to by the parties. The final decision of the administrative
36 hearing commission shall be subject to judicial review in the circuit court of the

37 county involved. In the event a valuation of subclass (1) real property within any
38 county with a charter form of government, or within a city not within a county,
39 is made by a computer, computer-assisted method or a computer program, the
40 burden of proof, supported by clear, convincing and cogent evidence to sustain
41 such valuation, shall be on the assessor at any hearing or appeal. In any such
42 county, unless the assessor proves otherwise, there shall be a presumption that
43 the assessment was made by a computer, computer-assisted method or a
44 computer program. Such evidence shall include, but shall not be limited to, the
45 following:

46 (1) The findings of the assessor based on an appraisal of the property by
47 generally accepted appraisal techniques; and

48 (2) The purchase prices from sales of at least three comparable properties
49 and the address or location thereof. As used in this [paragraph] **subdivision**,
50 the word "comparable" means that:

51 (a) Such sale was closed at a date relevant to the property valuation; and

52 (b) Such properties are not more than one mile from the site of the
53 disputed property, except where no similar properties exist within one mile of the
54 disputed property, the nearest comparable property shall be used. Such property
55 shall be within five hundred square feet in size of the disputed property, and
56 resemble the disputed property in age, floor plan, number of rooms, and other
57 relevant characteristics.

58 2. Assessors in each county of this state and the city of St. Louis may send
59 personal property assessment forms through the mail.

60 3. The following items of personal property shall each constitute separate
61 subclasses of tangible personal property and shall be assessed and valued for the
62 purposes of taxation at the following percentages of their true value in money:

63 (1) Grain and other agricultural crops in an unmanufactured condition,
64 one-half of one percent;

65 (2) Livestock, twelve percent;

66 (3) Farm machinery, twelve percent;

67 (4) Motor vehicles which are eligible for registration as and are registered
68 as historic motor vehicles pursuant to section 301.131, RSMo, and aircraft which
69 are at least twenty-five years old and which are used solely for noncommercial
70 purposes and are operated less than fifty hours per year or aircraft that are home
71 built from a kit, five percent;

72 (5) Poultry, twelve percent; and

73 (6) Tools and equipment used for pollution control and tools and

74 equipment used in retooling for the purpose of introducing new product lines or
75 used for making improvements to existing products by any company which is
76 located in a state enterprise zone and which is identified by any standard
77 industrial classification number cited in subdivision (6) of section 135.200, RSMo,
78 twenty-five percent.

79 4. The person listing the property shall enter a true and correct statement
80 of the property, in a printed blank prepared for that purpose. The statement,
81 after being filled out, shall be signed and either affirmed or sworn to as provided
82 in section 137.155. The list shall then be delivered to the assessor.

83 5. All subclasses of real property, as such subclasses are established in
84 section 4(b) of article X of the Missouri Constitution and defined in section
85 137.016, shall be assessed at the following percentages of true value:

86 (1) For real property in subclass (1), nineteen percent;

87 (2) For real property in subclass (2), twelve percent; and

88 (3) For real property in subclass (3), thirty-two percent.

89 6. Manufactured homes, as defined in section [700.010] **400.9-102**, RSMo,
90 which are actually used as dwelling units shall be assessed at the same
91 percentage of true value as residential real property for the purpose of
92 taxation. The percentage of assessment of true value for such manufactured
93 homes shall be the same as for residential real property. If the county collector
94 cannot identify or find the manufactured home when attempting to attach the
95 manufactured home for payment of taxes owed by the manufactured home owner,
96 the county collector may request the county commission to have the manufactured
97 home removed from the tax books, and such request shall be granted within
98 thirty days after the request is made; however, the removal from the tax books
99 does not remove the tax lien on the manufactured home if it is later identified or
100 found. **For purposes of this section**, a manufactured home located in a
101 manufactured home rental park, rental community or on real estate not owned
102 by the manufactured home owner shall be considered personal property. **For**
103 **purposes of this section**, a manufactured home located on real estate owned
104 by the manufactured home owner may be considered real property.

105 7. Each manufactured home assessed shall be considered a parcel for the
106 purpose of reimbursement pursuant to section 137.750, unless the manufactured
107 home [has been converted to real property in compliance with section 700.111]
108 **is real estate as defined in subsection 7 of section 442.015**, RSMo, and
109 assessed as a realty improvement to the existing real estate parcel.

110 8. Any amount of tax due and owing based on the assessment of a

111 manufactured home shall be included on the personal property tax statement of
112 the manufactured home owner unless the manufactured home [has been
113 converted to real property in compliance with section 700.111] **is real estate as**
114 **defined in subsection 7 of section 442.015**, RSMo, in which case the amount
115 of tax due and owing on the assessment of the manufactured home as a realty
116 improvement to the existing real estate parcel shall be included on the real
117 property tax statement of the real estate owner.

118 9. The assessor of each county and each city not within a county shall use
119 the trade-in value published in the October issue of the National Automobile
120 Dealers' Association Official Used Car Guide, or its successor publication, as the
121 recommended guide of information for determining the true value of motor
122 vehicles described in such publication. In the absence of a listing for a particular
123 motor vehicle in such publication, the assessor shall use such information or
124 publications which in the assessor's judgment will fairly estimate the true value
125 in money of the motor vehicle.

126 10. Before the assessor may increase the assessed valuation of any parcel
127 of subclass (1) real property by more than fifteen percent since the last
128 assessment, excluding increases due to new construction or improvements, the
129 assessor shall conduct a physical inspection of such property.

130 11. If a physical inspection is required, pursuant to subsection 10 of this
131 section, the assessor shall notify the property owner of that fact in writing and
132 shall provide the owner clear written notice of the owner's rights relating to the
133 physical inspection. If a physical inspection is required, the property owner may
134 request that an interior inspection be performed during the physical
135 inspection. The owner shall have no less than thirty days to notify the assessor
136 of a request for an interior physical inspection.

137 12. A physical inspection, as required by subsection 10 of this section,
138 shall include, but not be limited to, an on-site personal observation and review
139 of all exterior portions of the land and any buildings and improvements to which
140 the inspector has or may reasonably and lawfully gain external access, and shall
141 include an observation and review of the interior of any buildings or
142 improvements on the property upon the timely request of the owner pursuant to
143 subsection 11 of this section. Mere observation of the property via a "drive-by
144 inspection" or the like shall not be considered sufficient to constitute a physical
145 inspection as required by this section.

146 13. The provisions of subsections 11 and 12 of this section shall only apply
147 in any county with a charter form of government with more than one million

148 inhabitants.

149 14. A county or city collector may accept credit cards as proper form of
150 payment of outstanding property tax or license due. No county or city collector
151 may charge surcharge for payment by credit card which exceeds the fee or
152 surcharge charged by the credit card bank, processor, or issuer for its service. A
153 county or city collector may accept payment by electronic transfers of funds in
154 payment of any tax or license and charge the person making such payment a fee
155 equal to the fee charged the county by the bank, processor, or issuer of such
156 electronic payment.

157 15. Any county or city not within a county in this state may, by an
158 affirmative vote of the governing body of such county, opt out of the provisions of
159 this section and sections 137.073, 138.060, and 138.100, RSMo, as enacted by
160 house bill no. 1150 of the ninety-first general assembly, second regular session
161 and section 137.073 as modified by this act, for the next year of the general
162 reassessment, prior to January first of any year. No county or city not within a
163 county shall exercise this opt-out provision after implementing the provisions of
164 this section and sections 137.073, 138.060, and 138.100, RSMo, as enacted by
165 house bill no. 1150 of the ninety-first general assembly, second regular session
166 and section 137.073 as modified by this act, in a year of general
167 reassessment. For the purposes of applying the provisions of this subsection, a
168 political subdivision contained within two or more counties where at least one of
169 such counties has opted out and at least one of such counties has not opted out
170 shall calculate a single tax rate as in effect prior to the enactment of house bill
171 no. 1150 of the ninety-first general assembly, second regular session. A governing
172 body of a city not within a county or a county that has opted out under the
173 provisions of this subsection may choose to implement the provisions of this
174 section and sections 137.073, 138.060, and 138.100, RSMo, as enacted by house
175 bill no. 1150 of the ninety-first general assembly, second regular session, and
176 section 137.073 as modified by this act, for the next year of general reassessment,
177 by an affirmative vote of the governing body prior to December thirty-first of any
178 year.

179 16. The governing body of any city of the third classification with more
180 than twenty-six thousand three hundred but fewer than twenty-six thousand
181 seven hundred inhabitants located in any county that has exercised its authority
182 to opt out under subsection 15 of this section may levy separate and differing tax
183 rates for real and personal property only if such city bills and collects its own
184 property taxes or satisfies the entire cost of the billing and collection of such

185 separate and differing tax rates. Such separate and differing rates shall not
186 exceed such city's tax rate ceiling.

144.011. 1. For purposes of sections 144.010 to 144.525 and 144.600 to
2 144.748, and the taxes imposed thereby, the definition of "retail sale" or "sale at
3 retail" shall not be construed to include any of the following:

4 (1) The transfer by one corporation of substantially all of its tangible
5 personal property to another corporation pursuant to a merger or consolidation
6 effected under the laws of the state of Missouri or any other jurisdiction;

7 (2) The transfer of tangible personal property incident to the liquidation

11 (3) The transfer of tangible personal property to a corporation solely in

18 contribution to the capital of the transferee partnership;

20 more of its shareholders as a dividend, return of capital, distribution in the
21 partial or complete liquidation of the corporation or distribution in redemption
22 of the shareholder's interest therein;

23 (8) The transfer of tangible personal property by a partnership to one or
24 more of its partners as a current distribution, return of capital or distribution in
25 the partial or complete liquidation of the partnership or of the partner's interest
26 therein;

27 (9) The transfer of reusable containers used in connection with the sale
28 of tangible personal property contained therein for which a deposit is required
29 and refunded on return;

30 (10) The purchase by persons operating eating or food service
31 establishments, of items of a nonreusable nature which are furnished to the
32 customers of such establishments with or in conjunction with the retail sales of
33 their food or beverage. Such items shall include, but not be limited to, wrapping
34 or packaging materials and nonreusable paper, wood, plastic and aluminum

47 allowing such person to obtain a title to the manufactured home from the
48 department of revenue of this state or the appropriate agency or officer of any
49 other state;

50 (b) A transfer which involves the delivery of a "Reposessed Title" to a
51 resident of this state if the tax imposed by sections 144.010 to 144.525 was not
52 paid on the transfer of the manufactured home described in paragraph (a) of this
53 subdivision;

54 (c) The first transfer which occurs after December 31, 1985, if the tax
55 imposed by sections 144.010 to 144.525 was not paid on any transfer of the same
56 manufactured home which occurred before December 31, 1985; or

57 (13) Charges for initiation fees or dues to:

58 (a) Fraternal beneficiaries societies, or domestic fraternal societies, orders
59 or associations operating under the lodge system a substantial part of the
60 activities of which are devoted to religious, charitable, scientific, literary,

67 the United States, no part of the net earnings of which inures to the benefit of
68 any private shareholder or individual.

69 2. The assumption of liabilities of the transferor by the transferee incident
70 to any of the transactions enumerated in the above subdivisions (1) to (8) of
71 subsection 1 of this section shall not disqualify the transfer from the exclusion
72 described in this section, where such liability assumption is related to the

73 property transferred and where the assumption does not have as its principal
74 purpose the avoidance of Missouri sales or use tax.

144.044. 1. As used in this section, the following terms mean:

2 (1) "Sale of a modular unit", a transfer of a modular unit as defined in
3 section 700.010, RSMo;

4 (2) "Sale of a new manufactured home", a transfer of a manufactured
5 home, as defined in section [700.010] **400.9-102**, RSMo, which involves the
6 delivery of the document known as the manufacturer's statement of origin to a

8 700.010, RSMo, for purposes of allowing such person to obtain a title to the
9 manufactured home from the department of revenue of this state or the
10 appropriate agency or officer of any other state.

11 2. In the event of the sale of a new manufactured home, forty percent of
12 the purchase price, as defined in section 700.320, RSMo, shall be considered the

20 sections 144.010 to 144.525 and 144.600 to 144.745, and section 238.235, RSMo.

21 3. In the event of the sale of a new modular unit, forty percent of the
22 retail sale of the unit or forty percent of the manufacturer's sales price of the unit

116 **in which there has been recorded an affidavit of affixation under**
117 **section 442.015, RSMo, and any other information the director of**
118 **revenue prescribes.**

119 **14. The holder of a manufacturer's certificate of origin to a**
120 **manufactured home may deliver it to any person to facilitate conveying**
121 **or encumbering the manufactured home. Any person receiving any**
122 **such manufacturer's certificate of origin so delivered holds it in trust**
123 **for the person delivering it.**

124 **15. Notwithstanding any other provision of law, a certificate of**
125 **title issued by the director of revenue to a manufactured home is prima**
126 **facie evidence of the facts appearing on it, notwithstanding the fact**
127 **that such manufactured home, at any time, shall have become affixed**
128 **in any manner to real estate.**

 700.350. 1. As used in sections 700.350 to 700.390, the term
2 "manufactured home" shall have the same [meanings] **meaning** given it in
3 [section 700.010 or] section 400.9-102(a)(53), RSMo.

4 2. Unless excepted by section 700.375, a lien or encumbrance, **including**
5 **a security interest under article 9 of chapter 400, RSMo**, on a
6 manufactured home shall not be valid against subsequent transferees or
7 lienholders of the manufactured home who took without knowledge of the lien or
8 encumbrance unless the lien or encumbrance is perfected as provided in sections
9 700.350 to 700.380.

10 3. A lien or encumbrance on a manufactured home is perfected by the
11 delivery to the director of revenue of a notice of lien in a format as prescribed by
12 the director of revenue. Such lien or encumbrance shall be perfected as of the
13 time of its creation if the delivery of the notice of lien required in this subsection
14 to the director of revenue is completed within thirty days thereafter, otherwise
15 such lien or encumbrance shall be perfected as of the time of the delivery;
16 **provided, however, that a purchase money security interest in a**
17 **manufactured home under article 9 of chapter 400, RSMo, is perfected**
18 **against the rights of judicial lien creditors and execution creditors on**

19 **and after the date such purchase money security interest attaches; and**
20 **further provided that the holder of a security interest in or a lien on a**
21 **manufactured home may deliver lien release documents to any person**
22 **to facilitate conveying or encumbering the manufactured home. Any**
23 **person receiving any such documents so delivered holds the documents**
24 **in trust for the security interest holder or the lienholder.** A notice of lien
25 shall contain the name and address of the owner of the manufactured home and
26 the secured party, a description of the manufactured home, including any
27 identification number and such other information as the department of revenue
28 shall prescribe. A notice of lien substantially complying with the requirements
29 of this section is effective even though it contains minor errors which are not
30 seriously misleading. Liens may secure future advances. The future advances
31 may be evidenced by one or more notes or other documents evidencing
32 indebtedness and shall not be required to be executed or delivered prior to the
33 date of the future advance lien securing them. The fact that a lien may secure
34 future advances shall be clearly stated on the security agreement and noted as
35 "subject to future advances" in the notice of lien and noted on the certificate of
36 ownership if the motor vehicle or trailer is subject to only one lien. To secure
37 future advances when an existing lien on a manufactured home does not secure
38 future advances, the lienholder shall file a notice of lien reflecting the lien to
39 secure future advances. A lien to secure future advances is perfected in the same
40 time and manner as any other lien, except as follows: proof of the lien for future
41 advances is maintained by the department of revenue; however, there shall be
42 additional proof of such lien when the notice of lien reflects such lien for future
43 advances, is receipted by the department of revenue, and returned to the
44 lienholder.

45 4. Whether a manufactured home is subject to a lien or encumbrance shall
46 be determined by the laws of the jurisdiction where the manufactured home was
47 when the lien or encumbrance attached, subject to the following:

48 (1) If the parties understood at the time the lien or encumbrances
49 attached that the manufactured home would be kept in this state and it is
50 brought into this state within thirty days thereafter for purposes other than
51 transportation through this state, the validity and effect of the lien or
52 encumbrance in this state shall be determined by the laws of this state;

53 (2) If the lien or encumbrance was perfected under the laws of the
54 jurisdiction where the manufactured home was when the lien or encumbrance
55 attached, the following rules apply:

56 (a) If the name of the lienholder is shown on an existing certificate of title
57 or ownership issued by that jurisdiction, his lien or encumbrance continues
58 perfected in this state;

59 (b) If the name of the lienholder is not shown on an existing certificate of
60 title or ownership issued by the jurisdiction, the lien or encumbrance continues
61 perfected in this state for three months after the first certificate of title of the
62 manufactured home is issued in this state, and also thereafter if, within the
63 three-month period, it is perfected in this state. The lien or encumbrance may
64 also be perfected in this state after the expiration of the three-month period, in
65 which case perfection dates from the time of perfection in this state;

66 (3) If the lien or encumbrance was not perfected under the laws of the
67 jurisdiction where the manufactured home was when the lien or encumbrance
68 attached, it may be perfected in this state, in which case perfection dates from the
69 time of perfection in this state;

70 (4) A lien or encumbrance may be perfected under paragraph (b) of
71 subdivision (2) or subdivision (3) of this subsection in the same manner as
72 provided in subsection 3 of this section or by the lienholder delivering to the
73 director of revenue a notice of lien or encumbrance in the form the director
74 prescribes and the required fee.

75 5. By rules and regulations, the director of revenue shall establish a
76 security procedure for the purpose of verifying that an electronic notice of lien or
77 notice of satisfaction of lien on a manufactured home given as permitted in this
78 chapter is that of the lienholder, verifying that an electronic notice of
79 confirmation of ownership and perfection of a lien given as required in this
80 chapter is that of the director of revenue, and detecting error in the transmission
81 or the content of such notice. A security procedure may require the use of
82 algorithms or other codes, identifying words or numbers, encryption, callback
83 procedures or similar security devices. Comparison of a signature on a
84 communication with an authorized specimen signature shall not by itself be a
85 security procedure.

86 6. All transactions involving liens or encumbrances on manufactured
87 homes perfected pursuant to sections 700.350 to 700.390 after June 30, 2001, and
88 before August 28, 2002, and the rights, duties, and interests flowing from them
89 are and shall remain valid thereafter and may be terminated, completed,
90 consummated, or enforced as required or permitted by section 400.9-303, RSMo,
91 or this section. Section 400.9-303, RSMo, and this section are remedial in nature
92 and shall be given that construction.

93 7. [The repeal and reenactment of subsections 3 and 4 of this section shall
94 become effective July 1, 2003.] **Except as otherwise provided in section**
95 **442.015, RSMo, subsections 1 and 2 of section 700.111, subsection 2 of**
96 **section 700.360, and subsection 2 of section 700.375, after a certificate**
97 **of title has been issued to a manufactured home and as long as the**
98 **manufactured home is subject to any security interest perfected under**
99 **this section, the department shall not file an affidavit of affixation, nor**
100 **cancel the manufacturer's certificate of origin, nor revoke the**
101 **certificate of title, and, in any event, the validity and priority of any**
102 **security interest perfected under this section shall continue,**
103 **notwithstanding the provision of any other law.**

 700.360. 1. **Except as provided in subsection 2 of this section, if**
2 an owner creates a lien or encumbrance on a manufactured home:

3 (1) The owner shall immediately execute the application, either in the
4 space provided therefor on the certificate of title or on a separate form the
5 director of revenue prescribes, to name the lienholder on the certificate of title,
6 showing the name and address of the lienholder and the date of his security
7 agreement, and shall cause the certificate of title, the application and the
8 required fee to be mailed or delivered to the director of revenue. Failure of the
9 owner to do so, including naming the lienholder in such application, is a class A
10 misdemeanor;

11 (2) The lienholder or an authorized agent licensed pursuant to sections
12 301.112 to 301.119, RSMo, shall deliver to the director of revenue a notice of lien
13 as prescribed by the director of revenue accompanied by all other necessary
14 documentation to perfect a lien as provided in this section;

15 (3) To perfect a lien for a subordinate lienholder when a transfer of
16 ownership occurs, the subordinate lienholder shall either mail or deliver, or cause
17 to be mailed or delivered, a completed notice of lien to the department of revenue,
18 accompanied by authorization from the first lienholder. The owner shall ensure
19 the subordinate lienholder is recorded on the application for title at the time the
20 application is made to the department of revenue. To perfect a lien for a
21 subordinate lienholder when there is no transfer of ownership, the owner or
22 lienholder in possession of the certificate shall either mail or deliver, or cause to
23 be mailed or delivered, the owner's application for title, certificate, notice of lien,
24 authorization from the first lienholder and title fee to the department of
25 revenue. The delivery of the certificate and executing a notice of authorization
26 to add a subordinate lien does not affect the rights of the first lienholder under

27 the security agreement;

28 (4) Upon receipt of the documents and fee required in subdivision (3) of
29 this section, the director of revenue shall issue a new certificate of ownership
30 containing the name and address of the new lienholder, and shall mail the
31 certificate as prescribed in section 700.355, or if a lienholder who has elected for
32 the director of revenue to retain possession of an electronic certificate of
33 ownership, the lienholder shall either mail or deliver to the director a notice of
34 authorization for the director to add a subordinate lienholder to the existing
35 certificate. Upon receipt of such authorization, a notice of lien and required
36 documents and title fee, if applicable, from a subordinate lienholder, the director
37 shall add the subordinate lienholder to the certificate of ownership being
38 electronically retained by the director and provide confirmation of the addition
39 to both lienholders.

40 **2. With respect to a manufactured home that is or will be**
41 **permanently affixed to real estate, upon recordation of an affidavit of**
42 **affixation under section 442.015, RSMo, and satisfaction of the**
43 **requirements of subsections 1 to 3 of section 700.111, as applicable, any**
44 **perfection or termination of a security interest with respect to such**
45 **permanently affixed property shall be governed by chapter 442, RSMo.**

700.375. 1. Sections 700.350 to 700.380 shall not apply to or affect:

2 (1) A lien given by statute or rule of law to a supplier of services or
3 materials for the manufactured home;

4 (2) A lien given by statute to the United States, this state or any political
5 subdivision of this state;

6 (3) A lien or encumbrance on a manufactured home created by a
7 manufacturer or dealer who holds the manufactured home for sale.

8 **2. The method provided in sections 700.350 to 700.380 of perfecting and**
9 **giving notice of liens or encumbrances subject to sections 700.350 to 700.380 is**
10 **exclusive; provided, however, that with respect to a manufactured home**
11 **that is or will be permanently affixed to real estate, upon recordation**
12 **of an affidavit of affixation under section 442.015, RSMo, and**
13 **satisfaction of the requirements of subsections 1 to 3 of section 700.111,**
14 **as applicable, any perfection or termination of a security interest with**
15 **respect to such permanently affixed property shall be governed by**
16 **chapter 442, RSMo.**

700.525. As used in sections 700.525 to 700.541, the following terms

2 mean:

3 (1) "Abandoned", a physical absence from the property, and either:

4 (a) Failure by a renter of real property to pay any required rent for fifteen
5 consecutive days, along with the discontinuation of utility service to the rented
6 property for such period; or

7 (b) Indication of or notice of abandonment of real property rented from a
8 landlord;

9 (2) "Manufactured home", a [factory-built structure] manufactured home
10 as defined in [(5) or (7)] **section 400.9-102, RSMo, excluding a**
11 **manufactured home with respect to which the requirements of**
12 **subsections 1 to 3 of section 700.111, or a modular unit as defined in**
13 **subdivision (8) of section 700.010.**

700.600. 1. As used in this section, the following terms mean:

2 (1) "Manufactured home", [the same meaning as provided in section
3 700.010] **a manufactured home as defined in section 400.9-102, RSMo;**

4 (2) "Manufactured or mobile home land lease community", any area, lot,

9 factory which is not certified pursuant to the federal Housing and Urban
10 Development (HUD) Code and which conforms to the American National
11 Standards Institute (ANSI) standards for mobile homes.

12 2. A landlord of a manufactured or mobile home land lease community
13 shall provide written notice to all of the community's tenants who own their
14 manufactured or mobile homes at least one hundred twenty days prior to
15 requiring such tenants to vacate the property due to a change in use of the
16 property. In cases where more than one hundred twenty days remain on a
17 current lease, the longer time period shall apply for purposes of providing notice
18 pursuant to this section. The landlord shall not increase the rent, except for a
19 rent increase based solely on an increase in property taxes, for any tenant of the
20 manufactured or mobile home land lease community during the sixty-day period
21 prior to providing such notice or at any time after providing such notice.

24 reason other than a change in use of the property.

2 of a manufactured home who hold their interest as joint tenants with right of

3 survivorship or as tenants by the entirety, on application and payment of the fee
4 required for an original certificate of ownership, may request the director of
5 revenue to issue a certificate of ownership for the manufactured home in

7 the certificate of ownership on death of the sole owner or on death of all multiple

10 certificate. The directive to the director of revenue shall also permit the
11 beneficiary or beneficiaries to make one reassignment of the original certificate
12 of ownership upon the death of the owner to another owner without transferring
13 the certificate to the beneficiary or beneficiaries' name.

18 on death to" or the abbreviation "TOD" followed by the name of the beneficiary
19 or beneficiaries.

20 4. (1) During the lifetime of a sole owner and during the lifetime of all
21 multiple owners, or prior to the death of the last surviving multiple owner, the
22 signature or consent of the beneficiary or beneficiaries shall not be required for
23 any transaction relating to the manufactured home for which a certificate of
24 ownership in beneficiary form has been issued.

25 (2) A certificate of ownership in beneficiary form may be revoked or the
26 beneficiary or beneficiaries changed at any time before the death of a sole owner
27 or the last surviving multiple owner only by the following methods:

28 (a) By a sale of the manufactured home with proper assignment and
29 delivery of the certificate of ownership to another person; or

30 (b) By filing an application to reissue the certificate of ownership with no
31 designation of a beneficiary or with the designation of a different beneficiary or

34 (3) The beneficiary's or beneficiaries' interest in the manufactured home
35 at death of the owner or surviving owner shall be subject to any contract of sale,

37 manufactured home were subject during their lifetime.

38 (4) The designation of a beneficiary or beneficiaries in a certificate of
39 ownership issued in beneficiary form may not be changed or revoked by a will,

40 any other instrument, or a change in circumstances, or otherwise be changed or
41 revoked except as provided by subdivision (2) of this subsection.

42 5. (1) On proof of death of one of the owners of two or more multiple
43 owners, or of a sole owner, surrender of the outstanding certificate of ownership,
44 and on application and payment of the fee for an original certificate of ownership,
45 the director of revenue shall issue a new certificate of ownership for the
46 manufactured home to the surviving owner or owners or, if none, to the surviving

48 current valid certificate of number shall be so transferred. If the surviving
49 beneficiary or beneficiaries makes a request of the director of revenue, the
50 director may allow the beneficiary or beneficiaries to make one assignment of
51 title.

52 (2) The director of revenue may rely on a death certificate or record or
53 report that constitutes prima facie proof or evidence of death under subdivisions
54 (1) and (2) of section 472.290, RSMo.

55 (3) The transfer of a manufactured home at death pursuant to this section
56 is not to be considered as testamentary, or to be subject to the requirements of
