### AN ACT

To repeal section 321.240, RSMo, and to enact in lieu thereof one new section relating to fire protection district tax rates.

---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 321.240, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 321.240, to read as follows:

321.240. To levy and collect taxes as herein provided, the board shall in each year determine the amount of money necessary to be raised by taxation, and shall fix a rate of levy which, when levied upon every dollar of the taxable tangible property within the district as shown by the last completed assessment, and with other revenues, will raise the amount required by the district annually to supply funds for paying the expenses of organization and operation and the costs of acquiring, supplying and maintaining the property, works and equipment of the district, and maintain the necessary personnel, which rate of levy shall not exceed thirty cents on the one hundred dollars valuation; may fix an additional rate, not to exceed ten cents on the hundred dollars valuation, the revenues from which shall be deposited in a special fund and used only for the pension program of the district, by submitting the following question to the voters:

Shall the board of directors of ..... Fire Protection District be authorized to increase **or decrease** the annual tax rate from .... cents to .... cents per one hundred dollars valuation, the revenues from which shall be deposited in a special fund and used only for the pension program of the district?

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

15

16 provided, that if the question fails to receive a majority of the votes cast, it shall not be  
17 resubmitted to the voters within one year after the election; except, that any district may impose  
18 a tax not to exceed ten cents on the one hundred dollars valuation, in addition to the rate which  
19 the board may levy under this section, by submitting the following question to the voters at any  
20 election in such district at which a member of the board of directors is to be elected:

21        Shall the board of directors of ..... Fire Protection District be authorized to increase  
22 **or decrease** the annual tax rate from ..... cents to ..... cents on the hundred dollars assessed  
23 valuation?

24

25 and in addition thereto, to fix a rate of levy which will enable it to promptly pay in full when due  
26 all interest on and principal of bonds and other obligations of the district, and to pay any  
27 indebtedness authorized by a vote of the people as provided in this chapter; and in the event of  
28 accruing defaults or deficiencies in the bonded or contractual indebtedness, an additional levy  
29 may be made as provided in section 321.260.
