Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Sections 302.060 and 302.171, RSMo, are repealed and three new sections
2 enacted in lieu thereof, to be known as sections 302.060, 302.062, and 302.171, to read as
3 follows:

302.060. The director shall not issue any license and shall immediately deny any driving
2 privilege:

3 (1) To any person who is under the age of eighteen years, if such person operates a motor
4 vehicle in the transportation of persons or property as classified in section 302.015;

5 (2) To any person who is under the age of sixteen years, **or to any person who is under**
6 **eighteen years of age who fails to meet the qualifications of section 302.062**, except as
7 [hereinafter] provided **by this section**;

8 (3) To any person whose license has been suspended, during such suspension, or to any
9 person whose license has been revoked, until the expiration of one year after such license was
10 revoked;

11 (4) To any person who is an habitual drunkard or is addicted to the use of narcotic drugs;

12 (5) To any person who has previously been adjudged to be incapacitated and who at the
13 time of application has not been restored to partial capacity;

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

14 (6) To any person who, when required by this law to take an examination, has failed to
15 pass such examination;

16 (7) To any person who has an unsatisfied judgment against such person, as defined in
17 chapter 303, RSMo, until such judgment has been satisfied or the financial responsibility of such
18 person, as defined in section [303.120] **303.020**, RSMo, has been established;

19 (8) To any person whose application shows that the person has been convicted within
20 one year prior to such application of violating the laws of this state relating to failure to stop after
21 an accident and to disclose the person's identity or driving a motor vehicle without the owner's
22 consent;

23 (9) To any person who has been convicted more than twice of violating state law, or a
24 county or municipal ordinance where the defendant was represented by or waived the right to an
25 attorney in writing, relating to driving while intoxicated; except that, after the expiration of ten
26 years from the date of conviction of the last offense of violating such law or ordinance relating
27 to driving while intoxicated, a person who was so convicted may petition the circuit court of the
28 county in which such last conviction was rendered and the court shall review the person's habits
29 and conduct since such conviction. If the court finds that the petitioner has not been convicted
30 of any offense related to alcohol, controlled substances or drugs during the preceding ten years
31 and that the petitioner's habits and conduct show such petitioner to no longer pose a threat to the
32 public safety of this state, the court may order the director to issue a license to the petitioner if
33 the petitioner is otherwise qualified pursuant to the provisions of sections 302.010 to 302.540.
34 No person may obtain a license pursuant to the provisions of this subdivision through court
35 action more than one time;

36 (10) To any person who has been convicted twice within a five-year period of violating
37 state law, or a county or municipal ordinance where the defendant was represented by or waived
38 the right to an attorney in writing, of driving while intoxicated, or who has been convicted of the
39 crime of involuntary manslaughter while operating a motor vehicle in an intoxicated condition.
40 The director shall not issue a license to such person for five years from the date such person was
41 convicted for involuntary manslaughter while operating a motor vehicle in an intoxicated
42 condition or for driving while intoxicated for the second time. Any person who has been denied
43 a license for two convictions of driving while intoxicated prior to July 27, 1989, shall have the
44 person's license issued, upon application, unless the two convictions occurred within a five-year
45 period, in which case, no license shall be issued to the person for five years from the date of the
46 second conviction;

47 (11) To any person who is otherwise disqualified pursuant to the provisions of sections
48 302.010 to 302.780, chapter 303, RSMo, or section 544.046, RSMo;

49 (12) To any person who is under the age of eighteen years, if such person's parents or
50 legal guardians file a certified document with the department of revenue stating that the director
51 shall not issue such person a driver's license. Each document filed by the person's parents or
52 legal guardians shall be made upon a form furnished by the director and shall include identifying
53 information of the person for whom the parents or legal guardians are denying the driver's
54 license. The document shall also contain identifying information of the person's parents or legal
55 guardians. The document shall be certified by the parents or legal guardians to be true and
56 correct. This provision shall not apply to any person who is legally emancipated. The parents
57 or legal guardians may later file an additional document with the department of revenue which
58 reinstates the person's ability to receive a driver's license.

302.062. 1. In addition to the requirements of section 302.171, the director shall
2 **require any applicant for an operator's license or a temporary permit issued under section**
3 **302.130 who is fifteen to eighteen years of age to present a certificate once a year issued to**
4 **such person from an accredited public or any private, parochial, home, or parish high**

10 on a 4.0 scale; or
11 (4) Is making satisfactory progress in accordance with school district policy in an
12 alternative curriculum designed by the state board of education which places an emphasis
13 on vocational education and job training for students who are at risk of not completing the
14 required curriculum; or
15 (5) Is enrolled and progressing in accordance with school district policy in a full
16 course at the applicant's level in a special education program for the handicapped
17 approved by the department of elementary and secondary education which though
18 ungraded, enrolls pupils of equivalent age.

19 **2. The superintendent of schools, or in the case of nonpublic schools, the chief**
20 **administrative official shall provide verification of enrollment status on a form provided**
21 **by the department of revenue to any student fifteen to seventeen years of age upon request**

24 **include: the student's name, date of birth, address, the date of the verification, and**
25 **signature of the superintendent, the chief administrative official, which verifies that the**
26 **student is enrolled in one of the programs listed in subsection 1 of this section.**

27 **3. For the purposes of this section, the term "withdrawal" means the student is no**

29 **absences in a single semester or means missing five or more consecutive sessions in a course**
30 **leading to a certificate of high school equivalence due to unexcused absences. The**
31 **determination of unexcused absences shall be made by the superintendent or chief**

35 **considered as being in compliance with this section until such student raises his or her**
36 **cumulative grade point average to 1.75 or above at the conclusion of any subsequent**
37 **grading period.**

38 **4. Any person who is an emancipated minor, as defined in section 302.171, who**
39 **does not meet the qualifications prescribed by subsection 1 of this section may request the**
40 **school board of the school district in which such person resides to grant a waiver from the**
41 **requirements of this section and such waiver shall be granted if the school board**
42 **determines that having a license to operate a motor vehicle is in the best interests of that**
43 **person. In addition, any person who withdraws from school and earns a GED may request**
44 **a waiver from the requirements of this section.**

45 **5. Any person who knowingly submits false information to the department under**
46 **the provisions of this section is guilty of a class C misdemeanor.**

302.171. 1. Beginning July 1, 2005, the director shall verify that an applicant for a
2 driver's license is lawfully present in the United States before accepting the application. The
3 director shall not issue a driver's license for a period that exceeds an applicant's lawful presence
4 in the United States. The director may establish procedures to verify the lawful presence of the
5 applicant and establish the duration of any driver's license issued under this section. An
6 application for a license shall be made upon an approved form furnished by the director. Every
7 application shall state the full name, Social Security number, age, height, weight, color of eyes,
8 sex, residence, mailing address of the applicant, and the classification for which the applicant
9 has been licensed, and, if so, when and by what state, and whether or not such license has ever
10 been suspended, revoked, or disqualified, and, if revoked, suspended or disqualified, the date and
11 reason for such suspension, revocation or disqualification and whether the applicant is making
12 a one dollar donation to promote an organ donation program as prescribed in subsection 2 of this
13 section. A driver's license, nondriver's license, or instruction permit issued under this chapter
14 shall contain the applicant's legal name as it appears on a birth certificate or as legally changed
15 through marriage or court order. No name change by common usage based on common law shall
16 be permitted. The application shall also contain such information as the director may require to

17 enable the director to determine the applicant's qualification for driving a motor vehicle; and
18 shall state whether or not the applicant has been convicted in this or any other state for violating
19 the laws of this or any other state or any ordinance of any municipality, relating to driving
20 without a license, careless driving, or driving while intoxicated, or failing to stop after an
21 accident and disclosing the applicant's identity, or driving a motor vehicle without the owner's
22 consent. The application shall contain a certification by the applicant as to the truth of the facts
23 stated therein. Every person who applies for a license to operate a motor vehicle who is less than
24 twenty-one years of age shall be provided with educational materials relating to the hazards of
25 driving while intoxicated, including information on penalties imposed by law for violation of the
26 intoxication-related offenses of the state. Beginning January 1, 2001, if the applicant is less than
27 eighteen years of age, the applicant must comply with all requirements for the issuance of an
28 intermediate driver's license pursuant to section 302.178. **An applicant who is less than**
29 **eighteen years of age and is not an emancipated minor shall meet the requirements of**
30 **section 302.062 in order to receive a license issued under this chapter. As used in this**
31 **section, the term "emancipated minor" is a person who is at least sixteen years of age, but**
32 **less than eighteen years of age, who marries, enters active duty in the armed forces, or who**
33 **the custodial parent or legal guardian has relinquished from parental control by express**
34 **or implied consent, and who through employment or other means provides for such**
35 **person's own food, shelter, and other cost-of-living expenses.** For persons mobilized and
36 deployed with the United States Armed Forces, an application under this subsection shall be
37 considered satisfactory by the department of revenue if it is signed by a person who holds general
38 power of attorney executed by the person deployed, provided the applicant meets all other
39 requirements set by the director.

40 2. An applicant for a license may make a donation of one dollar to promote an organ
41 donor program. The director of revenue shall collect the donations and deposit all such
42 donations in the state treasury to the credit of the organ donor program fund established in
43 sections 194.297 to 194.304, RSMo. Moneys in the organ donor program fund shall be used
44 solely for the purposes established in sections 194.297 to 194.304, RSMo, except that the
45 department of revenue shall retain no more than one percent for its administrative costs. The
46 donation prescribed in this subsection is voluntary and may be refused by the applicant for the
47 license at the time of issuance or renewal of the license. The director shall make available an
48 informational booklet or other informational sources on the importance of organ donations to
49 applicants for licensure as designed by the organ donation advisory committee established in
50 sections 194.297 to 194.304, RSMo. The director shall inquire of each applicant at the time the
51 licensee presents the completed application to the director whether the applicant is interested in
52 making the one dollar donation prescribed in this subsection and whether the applicant is

53 interested in inclusion in the organ donor registry and shall also specifically inform the licensee
54 of the ability to consent to organ donation by completing the form on the reverse of the license
55 that the applicant will receive in the manner prescribed by subsection 6 of section 194.240,
56 RSMo. The director shall notify the department of health and senior services of information
57 obtained from applicants who indicate to the director that they are interested in registry
58 participation, and the department of health and senior services shall enter the complete name,
59 address, date of birth, race, gender and a unique personal identifier in the registry established in
60 subsection 1 of section 194.304, RSMo.

61 3. An applicant for a license may make a donation of one dollar to promote a blindness
62 education, screening and treatment program. The director of revenue shall collect the donations
63 and deposit all such donations in the state treasury to the credit of the blindness education,
64 screening and treatment program fund established in section 192.935, RSMo. Moneys in the
65 blindness education, screening and treatment program fund shall be used solely for the purposes
66 established in section 192.935, RSMo, except that the department of revenue shall retain no more
67 than one percent for its administrative costs. The donation prescribed in this subsection is
68 voluntary and may be refused by the applicant for the license at the time of issuance or renewal
69 of the license. The director shall inquire of each applicant at the time the licensee presents the
70 completed application to the director whether the applicant is interested in making the one dollar
71 donation prescribed in this subsection.

72 4. Beginning July 1, 2005, the director shall deny the driving privilege of any person who
73 commits fraud or deception during the examination process or who makes application for an
74 instruction permit, driver's license, or nondriver's license which contains or is substantiated with
75 false or fraudulent information or documentation, or who knowingly conceals a material fact or
76 otherwise commits a fraud in any such application. The period of denial shall be one year from
77 the effective date of the denial notice sent by the director. The denial shall become effective ten
78 days after the date the denial notice is mailed to the person. The notice shall be mailed to the
79 person at the last known address shown on the person's driving record. The notice shall be
80 deemed received three days after mailing unless returned by the postal authorities. No such
81 individual shall reapply for a driver's examination, instruction permit, driver's license, or
82 nondriver's license until the period of denial is completed. No individual who is denied the
83 driving privilege under this section shall be eligible for a limited driving privilege issued under
84 section 302.309.

85 5. All appeals of denials under this section shall be made as required by section 302.311.

86 6. The period of limitation for criminal prosecution under this section shall be extended
87 under subdivision (1) of subsection 3 of section 556.036, RSMo.

88 7. The director may promulgate rules and regulations necessary to administer and enforce
89 this section. No rule or portion of a rule promulgated pursuant to the authority of this section
90 shall become effective unless it has been promulgated pursuant to chapter 536, RSMo.

91 8. Notwithstanding any provisions of this chapter that requires an applicant to provide
92 proof of lawful presence for renewal of a noncommercial driver's license, noncommercial
93 instruction permit, or nondriver's license, an applicant who is sixty-five years and older and who
94 was previously issued a Missouri noncommercial driver's license, noncommercial instruction
95 permit, or Missouri nondriver's license is exempt from showing proof of lawful presence.

96 9. Notwithstanding any other provision of this chapter, if an applicant does not meet the
97 requirements of subsection 8 of this section and does not have the required documents to prove
98 lawful presence, the department may issue a one-year driver's license renewal. This one-time
99 renewal shall only be issued to an applicant who previously has held a Missouri noncommercial
100 driver's license, noncommercial instruction permit, or nondriver's license for a period of fifteen
101 years or more and who does not have the required documents to prove lawful presence. After
102 the expiration of the one-year period, no further renewal shall be provided without the applicant
103 producing proof of lawful presence.
