

# House Concurrent Resolution No. 42

## 94TH GENERAL ASSEMBLY

4142L.01

2       **Whereas**, every person in Missouri and in the United States deserves access to  
3 affordable, quality health care; and

4       **Whereas**, there is a growing crisis in health care in the United States of America,  
5 manifested in rising health care costs, increased premiums, out-of-pocket spending, decreased  
6 international business competitiveness, and massive layoffs; and  
7

8       **Whereas**, more than 700,000 Missourians lacked health insurance in 2007; and  
9

10       **Whereas**, those insured now often experience unacceptable medical debt and  
11 sometimes life-threatening delays in obtaining health care; and  
12

13       **Whereas**, one-half of all personal bankruptcies are due to illnesses or medical bills;  
14 and  
15

16       **Whereas**, the establishment of the MO HealthNet program in 2008, which replaces  
17 the state's current Medicaid program, and the rising cost of insuring state employees and teachers  
18 can best be met not by limiting benefits, but by expanding them under a national, publicly-funded  
19 health insurance program; and  
20

21       **Whereas**, the complex bureaucracy arising from our system of fragmented, for-  
22 profit, multi-payer system of health care financing consumes approximately 30% of United  
23 States health care spending; and  
24

25       **Whereas**, independent research by Kenneth E. Thorpe, PhD. found in 2003 that  
26 if Missouri adopted a single-payer, universal health program with benefits more generous than  
27 75% of all private insurance benefits in the state, Missouri health care spending would decline  
28 by a savings of \$1.3 billion in administrative costs alone under a streamlined administrative  
29 structure; and

30       **Whereas**, United States Representative John Conyers has introduced H.R. 676, the  
31 United States National Health Insurance Act, in the United States House of Representatives, and  
32 this act would provide a universal, comprehensive, single-payer system of high quality national  
33 health insurance:  
34

35       **Now, therefore, be it resolved** that the members of the House of  
36 Representatives of the Ninety-fourth General Assembly, Second Regular Session, the Senate  
37 concurring therein, hereby respectfully urge the United States Congress to enact the United States  
38 National Health Insurance Act sponsored by Representative Conyers; and  
39  
40

41       **Be it further resolved** that the Chief Clerk of the Missouri House of  
42 Representatives be instructed to prepare a properly inscribed copy of this resolution for President  
43 George W. Bush and each member of the Missouri Congressional delegation.
