19 **one-stop voting site under this section.**

20 4. (1) As used in this chapter, "one-stop voting site" means any location designated
21 by an election authority that allows a person to register and vote at the same time under
22 this section.

23 (2) Any person who is qualified to register to vote may register in person and then

25 applying for an absentee ballot provided under this chapter.

26 (3) To register and vote under this subsection, the person shall do both of the

33 or vote the ballot provided at the polling place if the person registers to vote on the day of
34 election, as provided in this chapter immediately after registering. If a person declines to

36 one-stop voting site under this section or at the person's correct polling place in the same
37 election.

38 (5) Within two business days of the person's registration under this section, the
39 election authority in conjunction with the secretary of state shall verify the person's drivers
40 license number or Social Security number, update the Missouri voter registration system
41 and search for possible duplicate registrations, and proceed under this chapter to verify
42 the person's address. The person's vote shall be counted unless the election authority
43 determines that the applicant is not qualified to vote in accordance with the provisions of
44 this chapter.

45 (6) Any person who is already registered to vote in the person's county of residence
46 may update the information in the registration record in accordance with procedures
47 prescribed by the secretary of state.

115.145. Each election authority shall have the following duties with respect to
2 registration:

3 (1) To conduct registration at its office or offices throughout the entire year, including
4 any four-week period prior to an election for the purpose of registration of persons for
5 subsequent elections, on all usual business days and during its regular office hours in the manner
6 required by this chapter, **and to conduct one-stop voting site registration under this chapter;**

7 (2) To instruct and direct each deputy registration official in the performance of his or
8 her duties including those agencies mandated and optional, including as optional any institution

12 any deputy appointed pursuant to subsection 2 of section 115.143, and to publicize the times,
13 dates and places or areas of such registration in any manner reasonably calculated to inform the
14 public; provided, that the place or area for voter registration by deputies appointed under
15 subsection 3 of section 115.143 shall be located in the school for which the deputy has been
16 appointed;

17 (4) Retain all voter registration records and registration list maintenance records for a
18 minimum of two years. The election authority shall compile data from the records as may be

20 (5) Number or use another system of identifying the original agency of the voter
21 registration application.

115.162. 1. A voter registration application shall be provided by the secretary of state
2 in all **one-stop voting sites**, all offices of the state that provide public assistance, all offices that
3 provide state-funded programs primarily engaged in providing services to persons with
4 disabilities, and other offices as directed by the governor. In addition all armed forces
5 recruitment offices shall be considered a voter registration agency.

6 2. At each voter registration agency, the following services shall be made available:

7 (1) Assistance to applicants in completing voter registration application forms, unless
8 the applicant refuses such assistance;

9 (2) Acceptance of completed voter registration application forms for transmittal to the
10 election authority located in the same county or any city not within a county, or if there is more
11 than one election authority within the county, to the election authority nearest to the office of the
12 agency. The election authority receiving the application forms shall review the applications and
13 forward any applications pertaining to a different election authority to that election authority;

14 (3) Voter registration sites shall transmit voter registration application forms to the
15 appropriate election authority not later than five business days after the form is completed by the
16 applicant;

17 (4) If a voter registration agency provides services to a person with a disability at the
18 person's home, the agency shall provide the services provided in this section at the person's
19 home.

20 3. An applicant declining to register in any agency shall be noted in a declination section
21 incorporated into the voter registration form used by the agency. No information relating to a
22 declination to register to vote in connection with an application made at a voter registration
23 agency may be used for any purpose other than voter registration.

 115.425. Except as provided in subsection 2 of section 115.277, **or unless the person**
2 **has registered at a one-stop voting site under this chapter**, the election judges shall allow no
3 person to vote whose name does not appear in the precinct register without the express sanction
4 of the election authority.
