Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 105.005, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 105.005, to read as follows:

105.005. 1. The salary set by sections 21.140, 26.010, 27.010, 28.010, 29.010, 30.010, 105.950, 138.230, 138.235, 138.236, 138.440, 138.445, 217.665, 286.005, 287.615, 386.150, 386.190, 621.015 and 621.055, RSMo, shall be adjusted on July first of each year and the adjustment shall not be less than zero.

2. The salary adjustment provided by **subsection 1 of** this section shall not be effective in any amount in excess of the salary adjustment for the executive department contained in the pay plan applicable to other state employees at a similar salary level for that fiscal year. The salary adjustments provided by **subsection 1 of** this section shall not be effective unless appropriations necessary to fund the adjustments are approved by the general assembly and the governor. Each salary adjustment to be approved pursuant to **subsection 1 of** this section shall be stated in a separate line item of the pertinent appropriation bill.

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

12 3. The salary for all other state employees, notwithstanding the provisions of
13 subsection 1 of this section, shall be adjusted on July first of each year and the adjustment
14 shall be an amount, rounded to the nearest multiple of one hundred dollars, equal to the
15 percentage of such annual rate which corresponds to the most recent percentage change
16 in the Consumer Price Index for the region Missouri is included in as set by the United
17 States Department of Labor, Bureau of Labor Statistics, until such time that the state
18 government pay ranking is equal to the income ranking by the United States Department
19 of Labor for all Missouri income. Such salary adjustment shall become effective and
20 necessary appropriations shall be made, unless disapproved by concurrent resolution
21 adopted by the general assembly before the date in which the salary adjustment is to come
22 into effect.

23 4. Each salary adjustment [approved] **authorized** pursuant to this section for offices that
24 have a statutory salary shall be added to the compensation otherwise provided by law for each
25 office if such, including prior salary adjustments made pursuant to this section, and the sum of
26 these amounts shall be the statutory salary of the office for all purposes. Each such statutory
27 salary shall be included in the pertinent appropriation bill in the same manner as any other
28 personal service appropriation involving a statutory salary.

29 [4.] 5. The office of administration shall maintain a compensation schedule for each
30 fiscal year indicating the statutory salary or salary range paid for each office subject to this
31 section and the salary adjustment contained in the pay plan applicable to other state employees
32 generally. The schedule required by this subsection shall be open for public inspection during
33 the normal business hours of the office of administration and shall be included annually in the
34 Missouri Register and an appendix to the Revised Statutes of Missouri. For each office for
35 which a salary adjustment is approved pursuant to this section, the revisor of statutes shall place
36 a revisor's note following each section providing compensation for the office referencing the
