9 in accordance with the provisions of this section, except that the ballot information may be listed
10 in vertical or horizontal rows. The names of candidates for each office shall be listed in the order
11 in which they are filed, **unless the office is a statewide office, or the office of state senator or**

85 4. No ballot printed or designed for use with an electronic voting system for any partisan
86 election held under this chapter shall allow a person to vote a straight political party ticket. For
87 purposes of this subsection, a "straight political party ticket" means voting for all of the
88 candidates for elective office who are on the ballot representing a single political party by a
89 single selection on the ballot.

90 5. The secretary of state shall promulgate rules that specify uniform standards for ballot
91 layout for each electronic or computerized ballot counting system approved under the provisions
92 of section 115.225 so that the ballot used with any counting system is, where possible, consistent
93 with the intent of this section. Nothing in this section shall be construed to require the format
94 specified in this section if it does not meet the requirements of the ballot counting system used
95 by the election authority.

96 6. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that
97 is created under the authority delegated in this section shall become effective only if it complies
98 with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section
99 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers
100 vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the
101 effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the
102 grant of rulemaking authority and any rule proposed or adopted after August 28, 2002, shall be
103 invalid and void.

115.391. Not later than the fourth Tuesday prior to the primary election, each election
2 authority shall prepare sample official ballots. The sample ballots shall contain, under the
3 appropriate offices and party designations, the names of all candidates to be voted on in its
4 jurisdiction in the order they will appear on the ballot, **except that for candidates for statewide
5 office or the office of state senator or representative, the sample ballot shall contain a
6 notice that candidates for such office may appear in different order on the official ballot
7 than they appear on the sample ballot under subsection 1 of section 115.237.** Each sample
8 ballot shall be printed upon tinted or colored paper, of a different tint or color from the official
9 primary ballot, and shall contain no endorsements. Immediately after having the sample ballots
10 prepared, each election authority shall mail to the chairman of each county committee in its
11 jurisdiction and to each candidate named on the ballot, a copy of the sample ballot for his party.

12 The election authority shall also post a copy of each sample ballot in a conspicuous place in its
13 office.

115.449. 1. As soon as the polls close in each polling place using paper ballots, the
2 election judges shall begin to count the votes. If earlier counting is begun pursuant to section
3 115.451, the election judges shall complete the count in the manner provided by this section.
4 Once begun, no count shall be adjourned or postponed until all proper votes have been counted.

5 2. One counting judge, closely observed by the other counting judge, shall take the
6 ballots out of the ballot box one at a time and, holding each ballot in such a way that the other
7 counting judge may read it, shall read the name of each candidate properly voted for and the
8 office sought by each. As each vote is called out, the recording judges shall each record the vote
9 on a tally sheet. The votes for and against all questions shall likewise be read and recorded. If
10 more than one political subdivision or special district is holding an election on the same day at
11 the same polling place and using separate ballots, the counting judges may separate the ballots
12 of each political subdivision and special district and first read one set, then the next and so on
13 until all proper votes have been counted.

14 3. After all of the proper votes on a ballot have been counted, the ballot shall be strung
15 on a wire or string in the order read. After all the ballots have been read and strung and after the
16 recording judges agree on the count, the wire or string shall be tied in a firm knot, and the knot
17 shall be sealed so that it cannot be untied without breaking the seal. Rejected and spoiled ballots
18 shall not be strung but shall be placed in separate containers marked "REJECTED" and
19 "SPOILED".

20 4. After the recording of all proper votes, the recording judges shall compare their tallies.
21 When the recording judges agree on the count, they shall sign both of the tally sheets, and one
22 of the recording judges shall announce in a loud voice the total number of votes for each
23 candidate and for and against each question.

24 5. After the announcement of the vote, the election judges shall record the vote totals in
25 the appropriate places on each statement of returns. If any tally sheet or statement of returns
26 contains no heading for any question, the election judges shall write the necessary headings on
27 the tally sheet or statement of returns.

28 **6. The secretary of state shall establish procedures for counting votes for statewide**
29 **offices or the office of state senator or representative when electronic voting systems or**
30 **voting machines are used and candidates for such statewide office or the office of state**
31 **senator or representative are listed on the ballot in varying order as provided in subsection**
32 **1 of section 115.237.**
