AN ACT

To repeal section 620.1039, RSMo, and to enact in lieu thereof one new section relating to tax credits for qualified research expenses.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 620.1039, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 620.1039, to read as follows:

- 620.1039. 1. As used in this section, the term "taxpayer" means an individual, a partnership, or any charitable organization which is exempt from federal income tax and whose Missouri unrelated business taxable income, if any, would be subject to the state income tax imposed under chapter 143, RSMo, or a corporation as described in section 143.441 or 143.471, RSMo, or section 148.370, RSMo, and the term "qualified research expenses" has the same meaning as prescribed in 26 U.S.C. 41, **except that such qualified research expenses shall be limited to those incurred in the research and development of agricultural/biotechnology and plant genome products, and prescription pharmaceuticals consumed by humans or animals.**
2. For tax years beginning on or after January 1, 2001, the director of the department of economic development [may] **shall** authorize a taxpayer to receive a tax credit against the tax

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

12 otherwise due pursuant to chapter 143, RSMo, or chapter 148, RSMo, other than the taxes
13 withheld pursuant to sections 143.191 to 143.265, RSMo, in an amount up to six and one-half
14 percent of the excess of the taxpayer's qualified research expenses, as certified by the director
15 of the department of economic development, within this state during the taxable year over the
16 average of the taxpayer's qualified research expenses within this state over the immediately
17 preceding three taxable years; except that, no tax credit shall be allowed on that portion of the
18 taxpayer's qualified research expenses incurred within this state during the taxable year in which
19 the credit is being claimed, to the extent such expenses exceed two hundred percent of the
20 taxpayer's average qualified research expenses incurred during the immediately preceding three
21 taxable years.

22 3. The director of economic development shall prescribe the manner in which the tax
23 credit may be applied for. The tax credit authorized by this section may be claimed by the
24 taxpayer to offset the tax liability imposed by chapter 143, RSMo, or chapter 148, RSMo, that
25 becomes due in the tax year during which such qualified research expenses were incurred.
26 Where the amount of the credit exceeds the tax liability, the difference between the credit and
27 the tax liability may only be carried forward for the next five succeeding taxable years or until
28 the full credit has been claimed, whichever first occurs. The application for tax credits
29 authorized by the director pursuant to subsection 2 of this section shall be made **no earlier than**
30 **January first and** no later than [the end of] **July first of the calendar year immediately**
31 **following the calendar year in which** the taxpayer's tax period [immediately following the tax
32 period] for which the credits are being claimed **ended. The director shall act on any such**
33 **application for tax credits no sooner than August first but no later than August fifteenth**
34 **of each year for applications filed in that calendar year.**

35 4. Certificates of tax credit issued pursuant to this section may be transferred, sold or
36 assigned by filing a notarized endorsement thereof with the department which names the
37 transferee and the amount of tax credit transferred. The director of economic development may
38 allow a taxpayer to transfer, sell or assign up to forty percent of the amount of the certificates of
39 tax credit issued to and not claimed by such taxpayer pursuant to this section during any tax year
40 commencing on or after January 1, 1996, and ending not later than December 31, 1999. Such
41 taxpayer shall file, by December 31, 2001, an application with the department which names the
42 transferee, the amount of tax credit desired to be transferred, and a certification that the funds
43 received by the applicant as a result of the transfer, sale or assignment of the tax credit shall be
44 expended within three years at the state university for the sole purpose of conducting research
45 activities agreed upon by the department, the taxpayer and the state university. Failure to expend
46 such funds in the manner prescribed pursuant to this section shall cause the applicant to be
47 subject to the provisions of section 620.017.

48 5. No rule or portion of a rule promulgated under the authority of this section shall
49 become effective unless it has been promulgated pursuant to the provisions of chapter 536,
50 RSMo. All rulemaking authority delegated prior to June 27, 1997, is of no force and effect and
51 repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of
52 any rule filed or adopted prior to June 27, 1997, if such rule complied with the provisions of
53 chapter 536, RSMo. The provisions of this section and chapter 536, RSMo, are nonseverable
54 and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo,
55 including the ability to review, to delay the effective date, or to disapprove and annul a rule or
56 portion of a rule, are subsequently held unconstitutional, then the purported grant of rulemaking
57 authority and any rule so proposed and contained in the order of rulemaking shall be invalid and
58 void.

59 6. The aggregate of all tax credits authorized pursuant to this section shall not exceed
60 [nine] **ten** million [seven hundred thousand] dollars in any **calendar** year. **In the event that**
61 **total eligible claims for credits received in a calendar year exceed the annual cap, each**
62 **eligible claimant shall be issued credits based upon the following formula: the eligible**
63 **credits if the annual cap had not been exceeded multiplied by the ratio of the annual cap**
64 **divided by the total of all eligible claims for credits filed in that calendar year.**

65 7. [For all tax years beginning on or after January 1, 2005, no tax credits shall be
66 approved, awarded, or issued to any person or entity claiming any tax credit under this section]
67 **No one taxpayer shall be issued more than thirty percent of the aggregate of all tax credits**
68 **authorized under this section in any calendar year.**
