

JOURNAL OF THE HOUSE

Second Regular Session, 94th GENERAL ASSEMBLY

THIRTY-FIFTH DAY, MONDAY, MARCH 10, 2008

The House met pursuant to adjournment.

Speaker Pro Tem Pratt in the Chair.

Prayer by Reverend James Earl Jackson.

Heavenly Father, many are the wonders You have done. The things You planned for us no one can recount to You; were we to speak and tell of them, they would be too many to declare.

We are very much aware that, by Your grace, a great door of opportunity has been opened to us to influence a culture for generations to come. In light of this, may we daily examine ourselves concerning our motives, plans, purposes, and pursuits.

We thank You, Lord God, for glimpses of what can be accomplished as we work together for the betterment of our state and its populace. Grant us wisdom beyond our natural understanding, skills beyond our natural abilities and patience beyond our breaking points.

Praise, glory, wisdom, thanks, honor, power, and strength be to You, forever and ever!

In the name of Your Son, we pray. Amen.

The Pledge of Allegiance to the flag was recited.

The Journal of the thirty-fourth day was approved as printed.

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 1722, Page 17, Section 167.630, Line 13, by inserting after all of said line the following:

"168.133. 1. The school district shall ensure that a criminal background check is conducted on any person employed after January 1, 2005, authorized to have contact with pupils and prior to the individual having contact with any pupil. Such persons include, but are not limited to, administrators, teachers, aides, paraprofessionals, assistants, secretaries, custodians, cooks, and nurses. The school district shall also ensure that a criminal background check is conducted for school bus drivers. The district may allow such drivers to operate buses pending the result of the criminal background check. For bus drivers, the background check shall be conducted on drivers employed by the school district or employed by a pupil transportation company under contract with the school district.

2. In order to facilitate the criminal history background check on any person employed after January 1, 2005, the applicant shall submit two sets of fingerprints collected pursuant to standards determined by the Missouri highway patrol. One set of fingerprints shall be used by the highway patrol to search the criminal history repository and the family care safety registry pursuant to sections 210.900 to 210.936, RSMo, and the second set shall be forwarded to the Federal Bureau of Investigation for searching the federal criminal history files.

3. The applicant shall pay the fee for the state criminal history record information pursuant to section 43.530, RSMo, and sections 210.900 to 210.936, RSMo, and pay the appropriate fee determined by the Federal Bureau of Investigation for the federal criminal history record when he or she applies for a position authorized to have contact with pupils pursuant to this section. The department shall distribute the fees collected for the state and federal criminal histories to the Missouri highway patrol.

4. The school district may adopt a policy to provide for reimbursement of expenses incurred by an employee for state and federal criminal history information pursuant to section 43.530, RSMo.

5. If, as a result of the criminal history background check mandated by this section, it is determined that the holder of a certificate issued pursuant to section 168.021 has pled guilty or nolo contendere to, or been found guilty of a crime or offense listed in section 168.071, or a similar crime or offense committed in another state, the United States, or any other country, regardless of imposition of sentence, such information shall be reported to the department of elementary and secondary education.

6. Any school official making a report to the department of elementary and secondary education in conformity with this section shall not be subject to civil liability for such action.

7. For any teacher who is employed by a school district on a substitute or part-time basis within one year of such teacher's retirement from a Missouri school, the state of Missouri shall not require such teacher to be subject to any additional background checks prior to having contact with pupils. Nothing in this subsection shall be construed as prohibiting or otherwise restricting a school district from requiring additional background checks for such teachers employed by the school district.

8. A criminal background check and fingerprint collection conducted under subsections 1 and 2 of this section shall be valid for at least a period of one year and transferrable from one school district to another district. A teacher's change in type of certification shall have no effect on the transferability of such records.

9. Nothing in this section shall be construed to alter the standards for suspension, denial, or revocation of a certificate issued pursuant to this chapter.

[9.] 10. The state board of education may promulgate rules for criminal history background checks made pursuant to this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2005, shall be invalid and void."; and
