

HB 1375 -- Medical Assistance Program Provider Reimbursement

Sponsor: Portwood

This bill specifies that under the MO HealthNet Program, the successor to the Missouri Medicaid Program, providers can receive enhanced reimbursement for certain services. The enhanced rate will be 120% of the federal Medicare reimbursement rate for new patients and 110% for established patients. In order to qualify for the enhanced reimbursement, the provider must:

- (1) Become the health care home for a MO HealthNet patient;
- (2) Complete a patient history and consultation for the patient;
and
- (3) File a treatment plan for the patient.
