

HB 1396 -- Sexual Offenders

Sponsor: Dusenberg

This bill requires the Department of Revenue to put a unique code or identifier on the driver's license, nondriver's license, or driver's permit of anyone who is required to register as a sexual offender. Beginning January 1, 2009, the State Highway Patrol must provide the department with the name, address, and Social Security number of every registered sexual offender and must update that information every three months.
