

HB 1473 -- Stealing

Sponsor: Cunningham (86)

This bill revises the term "stealing-related offense" as it is used in Section 570.040, RSMo, to include robbery. The bill also removes the requirement that a person must have received at least a 10-day jail sentence on a prior offense before a third or subsequent misdemeanor stealing offense can be enhanced to a felony and clarifies that a person who has previously pled or been found guilty of two stealing-related offenses which were committed on two separate occasions, and who subsequently pleads guilty or is found guilty of a stealing-related offense within 10 years from the first offense will be guilty of a class B felony.
