

HCS HB 1518 -- TUITION GRANTS FOR VETERANS' SURVIVORS

SPONSOR: Day (Cunningham, 145)

COMMITTEE ACTION: Voted "do pass" by the Special Committee on Veterans by a vote of 11 to 0.

This substitute allows the spouse and children of a soldier who is killed in action after September 11, 2001, or who becomes 80% disabled as the result of an injury sustained in combat action after September 11, 2001, to receive an educational grant for tuition at a public or private college or university in Missouri. The Coordinating Board of Higher Education will award up to 25 grants annually. If the waiting list of eligible survivors exceeds 50, the board can ask the General Assembly to increase the number of grants it is authorized to award. The tuition grant cannot exceed what is charged a resident by the University of Missouri-Columbia. The veteran must have been a Missouri resident when first entering military service or at the time of death in order for his or her survivors to receive this grant. In addition to the full cost of tuition, the grant includes \$2,000 per semester for room and board and the actual cost of books up to \$500 per semester.

Children are eligible to receive the scholarship until age 25. Spouses are eligible until age 45. No eligible student will receive a grant for more than 100% of tuition when combined with similar funds given to the student.

The provisions of the substitute will expire six years from the effective date.

FISCAL NOTE: Estimated Cost on General Revenue Fund of \$223,424 to \$377,110 in FY 2009, \$416,847 to \$733,439 in FY 2010, and \$605,038 to \$1,094,172 in FY 2011. No impact on Other State Funds in FY 2009, FY 2010, and FY 2011.
