

HB 1607 -- Incorporation of Cities

Sponsor: Lampe

This bill removes villages from a certain incorporation procedure for cities and towns and increases the threshold number of signatures required on a petition to incorporate from 15% of the registered voters to 15% of the votes cast in the last gubernatorial election in the area proposed to be incorporated.

Any village that was incorporated under Section 72.080, RSMo, between August 28, 2007, and the effective date of the bill will be dissolved.
