

HB 1616 -- REAL ESTATE BROKERS (Ruzicka)

COMMITTEE OF ORIGIN: Special Committee on Professional
Registration and Licensing

Currently, certain persons, partnerships, associations, or corporations acting as owners, lessors, or lessees are allowed to perform activities of a real estate broker without a license if they are not engaged in the real estate business. This bill repeals the provision that requires that they are not engaged in the real estate business.

FISCAL NOTE: No impact on state funds in FY 2009, FY 2010, and FY 2011.
