

HB 1631 -- Salvaged Vehicles

Sponsor: Parson

Currently, when a person who is not a resident of the United States buys a nonrepairable motor vehicle or a salvage motor vehicle, the seller must stamp the words "FOR EXPORT ONLY" on the face of the title and each unused reassignment space on the back of the title and forward the title to the Department of Revenue. This bill specifies that it is the operator of a salvage pool or salvage disposal sale or the subsequent purchaser who must meet this requirement.
