

HB 1674 -- General Assembly Financial Disclosures

Sponsor: Cooper (120)

This bill requires all members of the General Assembly to file a financial interest statement with the Missouri Ethics Commission showing whether any state tax credits were claimed on the most recent state income tax return of the member, the member's spouse, or the member's dependent child.

The Department of Revenue must disclose to the public all information regarding a state tax credit claimed by a member of the General Assembly.
