

HB 1723 -- Collection of Taxes

Sponsor: Franz

This bill allows first classification counties without a charter form of government and second classification counties to collect property taxes using electronic records and disbursements. Taxing authorities will be required to request notification of current taxes paid under protest by February 1, and county collectors must provide the information by March 1. Delinquent personal property taxes are subject to the same interest and penalties as delinquent real property taxes. County collectors of those counties are required by the fifteenth day of each month to file, with the county clerk, the detailed statement of taxes and licenses collected during the preceding month.
