

HB 1776 -- Human Rights

Sponsor: Talboy

This bill defines "sexual orientation" and prohibits discrimination based upon a person's sexual orientation.

The bill also clarifies that discrimination includes cases where unfair treatment results from the guilty party's mere assumptions regarding the victim's race, color, religion, national origin, sex, sexual orientation, ancestry, or age as it relates to employment or disability or familial status as it relates to housing whether or not those assumptions are correct.
