

HB 1912 -- University of Missouri Student Curator

Sponsor: Pratt

If Missouri loses a Congressional district following the 2010 redistricting, this bill specifies that the ninth member of the University of Missouri Board of Curators will be a student curator with voting privileges, replacing the nonvoting student curator. The first student curator under these provisions will be appointed in January 2011 for a two-year term. The qualifications for the student curator remain the same, and he or she may be from any Congressional district and from the same district as one other member of the board.
