

HB 1965 -- Campaign Contributions

Sponsor: LeVota

This bill changes the laws regarding campaign contributions. Every type of committee regulated under Chapter 130, RSMo, including those committees not designated as campaign, continuing, or candidate committees, will be subject to the contribution limits of subsection 1 of Section 130.032.

The provisions prohibiting campaign contributions made by any political party committee to any candidate, continuing, or political committee as well as the prohibition of contributions to candidates for statewide office or the office of state representative during the legislative session are repealed.
