

SCS HB 2047 -- ROADWAY MAINTENANCE

This bill deletes the references to the "two houses of legislation" and replaces the term "resolution" with "ordinance" regarding street grading in cities with 300,000 or more inhabitants.

Currently, certain counties are authorized to impose, upon voter approval, a special road rock fund tax at a rate not to exceed 25 cents per acre for property classified as agricultural and horticultural. The bill increases the rate to up to \$1 per acre.
