

HB 2080 -- Absentee Voting

Sponsor: Hoskins

Currently, voters who are prevented for various reasons from going to the polls to vote on election day can vote by absentee ballot. This bill allows any registered voter who is eligible to vote in a particular election to do so by absentee ballot. The provision allowing individuals in federal service who are eligible to register and vote, but are not registered, to vote for federal offices such as President, Vice President, Senator, and Congressman is repealed.
