

HB 2081 -- EMBALMERS (Dougherty)

COMMITTEE OF ORIGIN: Special Committee on Professional  
Registration and Licensing

This bill revises the definition of "practice of embalming" to include the chemical preparation of a dead human body for disposition as well as all activities leading up to and including arterial and cavity embalming.

FISCAL NOTE: No impact on state funds in FY 2009, FY 2010, and FY 2011.
