

HB 2206 -- Public Roadways

Sponsor: Sutherland

This bill requires the Department of Transportation's plans, programs, and projects to provide full consideration for the safety and contiguous routes for bicyclists, pedestrians, disabled persons, and transit users of all ages and abilities. Bicycle and pedestrian ways must be given full consideration in the planning and development of transportation facilities.

Beginning August 28, 2008, the provisions of the bill will apply to planning and training purposes only and beginning August 28, 2009, to construction projects.
