

CCS SS SCS HB 2224 -- LAW ENFORCEMENT

This bill creates the Deputy Sheriff Salary Supplementation Fund to supplement the salaries, and employee benefits resulting from the salary increases, of county deputy sheriffs. The fund will consist of moneys collected from a \$10 increase in the fee charged by sheriffs for the service of any summons, writ, subpoena, or other order of the court in civil cases and will be administered by the Missouri Sheriff Methamphetamine Relief Taskforce within the Department of Public Safety.

Currently, peace officers who make traffic stops are required to receive annual training regarding the prohibition of racial profiling. The bill changes the training requirement to three hours within the law enforcement continuing education three-year reporting period.
