

HB 2231 -- Campaign Contributions

Sponsor: Cooper (120)

This bill changes the laws regarding campaign contributions. In its main provisions, the bill:

- (1) Repeals provisions regarding campaign contribution limitations for candidates for certain state offices specified in Section 130.032, RSMo;
- (2) Repeals provisions regarding a prohibition on monetary contributions from political party committees to candidate committees, continuing committees, or other political party committees and a time limitation on the receipt of campaign contributions while the General Assembly is in session; and
- (3) Repeals Section 130.150 which allows any individual to file a complaint regarding a violation of campaign contribution laws with the Missouri Ethics Commission or to seek a return of excess contributions to the state in a circuit court.
