

HB 2321 -- Voter Registration

Sponsor: Dixon

This bill requires all applicants for any resident hunting or fishing permit at any local Department of Conservation office or permit vendor to receive a voter registration application form as a part of the application process. Applicants may complete the form at that time or may mail the completed form to the appropriate election authority. The department's web site is to provide a link to the web site of the applicant's election authority if available. Any information collected must be used solely for voter registration purposes. Any person registered to vote by this option must submit a form of personal identification as specified in the bill.
