

HB 2391 -- Juvenile Court Hearings

Sponsor: Roorda

This bill requires the juvenile court to publish the time, date, and location of certain juvenile proceedings in a conspicuous and readily-accessible location in the courthouse. The posting requirement applies in cases where the juvenile is accused of conduct which, if committed by an adult, would be considered a class A or B felony or for conduct which would be considered a class C felony when the child has already been adjudicated for two or more unrelated acts which would have been class A, B, or C felonies if committed by an adult.
