

HB 2466 -- Missouri Housing Development Commission

Sponsor: Oxford

This bill decreases from 10 to nine the number of members on the Missouri Housing Development Commission to consist of one member from each of the nine Congressional districts appointed by the Governor with the advice and consent of the Senate. The Governor, Lieutenant Governor, State Treasurer, and State Auditor will no longer be members of the commission. Membership requirements and terms of service are specified. The commission must adopt a code of conduct for its members and employees addressing ethical matters and conflict of interest issues and establish conflict of interest rules requiring public disclosure of financial arrangements between the commissioners and housing developers.
