## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Public Safety – Missouri State Highway Patrol, – Director’s Office**, and the **Boone County Sheriff’s Department** assume the proposal would have no fiscal impact on their agencies.

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Department of Corrections (DOC)** assume they cannot predict how many of these defined sex offenders may move to Missouri and be required to register pursuant to the provisions of the bill. There is no way to ascertain the number of times an offender may fail to register.

DOC cannot currently predict the number of new commitments which may result from the creation of the offense(s) outlined in this proposal. An increase in commitments depends on the utilization by prosecutors and the actual sentences imposed by the court.

If additional persons are sentenced to the custody of the DOC due to the provisions of this legislation, the DOC will incur a corresponding increase in direct offender cost either through incarceration (FY08 average of \$15.64 per offender per day, or an annual cost of \$5,709 per inmate) or through supervision provided by the Board of Probation and Parole (FY08 average of \$2.47 per offender per day, or an annual cost of \$902 per offender).

The need for capital improvements is not anticipated at this time. It must be noted that the cumulative effect of various new legislation, if passed into law, could result in the need for additional capital improvements funding if the total number of new offenders exceeds current planned capacity.

In summary, supervision by the DOC through probation or incarceration would result in additional unknown costs to the department. Eighteen (18) persons would have to be incarcerated per fiscal year to exceed \$100,000 annually. Due to the narrow scope of this new crime, it is assumed the impact would be less than \$100,000 per year for the DOC.

ASSUMPTION (continued)

Officials from the **Office of Prosecution Services (OPS)** assumes the potential fiscal impact on county prosecuting attorneys will depend on the extent to which law enforcement agencies choose to enforce this provision and/or are able to enforce this provision. If law enforcement agencies make arrests under this provision, there may be an impact based on the additional cases that may be filed. OPS assumes this legislation would not have any significant fiscal impact on the OPS.

**Oversight** assumes county prosecutors could absorb any increase in cases referred to prosecutors within existing resources.

Officials from the **Office of the State Public Defender (SPD)** assume increasing penalties on existing crimes, or creating new crimes, will require more SPD resources. While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional appropriations for this specific bill, the SPD will continue to request sufficient appropriations to provide competent and effective representation in all its cases.

**Oversight** assumes the Office of the State Public Defender (SPD) could absorb the costs of the proposed legislation within existing resources. Oversight assumes any significant increase in the workload of the SPD would be reflected in future budget requests.

**Officials from the Buchanan County Sheriff's Department, Clark County Sheriff's Department, Greene County Sheriff's Department, Jackson County Sheriff's Department, Platte County Sheriff's Department, and the St. Louis County Police Department did not respond to Oversight's request for fiscal impact.**

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation specifies that any person who fails to register as a sexual offender will be guilty of a class C felony if the person is required to register based on having committed an offense in any other state or foreign country or under federal, tribal, or military jurisdiction which, if committed in this state, would be an offense under Chapter 566, RSMo, and has previously pled guilty to or has been found guilty of failing to register as a sexual offender.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
