FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of State Courts Administrator** assume the proposed legislation would have no fiscal impact on the courts.

Officials from the **Department of Social Services** assume the proposal would have no fiscal impact on their agency. Since the Division of Youth Services (DYS) does not take custody of youth for non-felony traffic violations, no change is expected in the number of children committed to DYS care.

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
