FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Elementary and Secondary Education** states this proposed legislation presents no increased costs for their agency or the state.

Oversight assumes that since the election of a successor member shall occur on a municipal election day, costs of the election to the school district would be minimal and no fiscal impact is assigned.

This proposed legislation was sent to the St Louis Public School District and the St Louis City Board of Elections, neither of which responded to a request for fiscal note.
