FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Missouri State Highway Patrol** anticipate this proposal would have no fiscal impact on their agency.

According to officials from the **Office of Secretary of State (SOS)**, many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500.

Oversight assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process. Any decisions to raise fees to defray costs would likely be made in subsequent fiscal years.

Officials from the **Department of Elementary and Secondary Education (DESE)** were unable to determine a fiscal impact for proposal due to uncertainties regarding the meaning of the language.

Oversight assumes the language in this section of the proposed legislation addresses the transferability of records and does not mandate additional fingerprinting or background checks and therefore will assign no fiscal impact.

Officials from the **Sikeston School District** estimate this proposed legislation would result in minimal savings to their district.

<u>FISCAL IMPACT - State Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012

<u>FISCAL IMPACT - Local Government</u>	FY 2010 (10 Mo.)	FY 2011	FY 2012

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

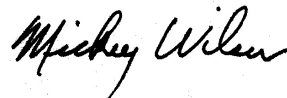

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
