12 implementing a calendar year of less than one hundred seventy-four days shall be required  
13 to revert to a one hundred seventy-four-day school year in the school year following the

15 performance standards met reaches the earlier number, the district may return to the four-  
16 day week in the next school year.**

171.031. 1. Each school board shall prepare annually a calendar for the school term,

14 in September, and the local school board holds said meeting and, at the same public meeting, a  
15 majority of the board votes to allow an earlier opening date. If all of the previous conditions are  
16 met, the district may set its opening date more than ten calendar days prior to the first Monday  
17 in September. The condition provided in this subsection must be satisfied by the local school  
18 board each year that the board proposes an opening date more than ten days before the first

4 to inclement weather and half the number of days lost or canceled in excess of six days **if the**  
5 **makeup of the days is necessary to ensure that the district's students will attend a**  
6 **minimum of one hundred forty-two days and a minimum of one thousand forty-four hours**  
7 **for the school year. Schools with a four-day school week may schedule such make-up days**  
8 **on Fridays.**

9 3. [In the 2005-06 school year, a school district may be exempt from the requirement to  
10 make up days of school lost or canceled due to inclement weather occurring after April 1, 2006,  
11 in the school district, but such reduction of the minimum number of school days shall not exceed  
12 five days when a district has missed more than seven days overall, such reduction to be taken as  
13 follows: one day for eight days missed, two days for nine days missed, three days for ten days  
14 missed, four days for eleven days missed, and five days for twelve or more days missed. The

16 to subsection 1 of this section shall be waived for the 2006-07 school year.

17 4.] The commissioner of education may provide, for any school district in which schools  
18 are in session for twelve months of each calendar year that cannot meet the minimum school  
19 calendar requirement of at least one hundred seventy-four days **for schools with a five-day**  
20 **school week or one hundred forty-two days for schools with a four-day school week** and one  
21 thousand forty-four hours of actual pupil attendance, upon request, a waiver to be excused from  
22 such requirement. This waiver shall be requested from the commissioner of education and may  
23 be granted if the school was closed due to circumstances beyond school district control,  
24 including inclement weather, flooding or fire.
