20 (5) No notary fee or other fee or additional charge shall be paid or collected except for

22 2. All fees charged shall not exceed those in this section. Beginning July 1, 2003, the
23 fees imposed by this section shall be collected by all permanent branch offices and all full-time
24 or temporary offices maintained by the department of revenue.

25 3. Any person acting as agent of the department of revenue for the sale and issuance of
26 licenses and other documents related to motor vehicles shall have an insurable interest in all
27 license plates, licenses, [tabs] **window stickers**, forms and other documents held on behalf of
28 the department.

29 4. The fee increases authorized by this section and approved by the general assembly
30 were requested by the fee agents. All fee agent offices shall display a three foot by four foot sign
31 with black letters of at least three inches in height on a white background which states:

32 The increased fees approved by the
33 Missouri Legislature and charged by
34 this fee office were requested by the
35 fee agents.

301.032. 1. Notwithstanding the provisions of sections 301.030 and 301.035 to the
2 contrary, the director of revenue shall establish a system of registration on a calendar year basis
3 of all fleet vehicles owned or purchased by a fleet owner registered pursuant to this section. The
4 director of revenue shall prescribe the forms for such fleet registration and the forms and
5 procedures for the registration updates prescribed in this section. Any owner of ten or more
6 motor vehicles which must be registered in accordance with this chapter may register as a fleet
7 owner. All registered fleet owners may, at their option, register all motor vehicles included in
8 the fleet on a calendar year basis pursuant to this section in lieu of the registration periods
9 provided in sections 301.030 and 301.035. The director shall issue an identification number to
10 each registered owner of fleet vehicles.

11 2. All fleet vehicles included in the fleet of a registered fleet owner shall be registered
12 during April each year or on a prorated basis as provided in subsection 3 of this section. Fees
13 of all vehicles in the fleet to be registered on a calendar year basis shall be payable not later than

14 the last day of April of each year. The fees for vehicles added to the fleet which must be licensed
15 at the time of registration shall be payable at the time of registration, except that when such
16 vehicle is licensed between July first and September thirtieth the fee shall be three-fourths the
17 annual fee, when licensed between October first and December thirty-first the fee shall be
18 one-half the annual fee and when licensed on or after January first the fee shall be one-fourth the
19 annual fee.

20 3. At any time during the calendar year in which an owner of a fleet purchases or
21 otherwise acquires a vehicle which is to be added to the fleet or transfers plates to a fleet vehicle,
22 the owner shall present to the director of revenue the identification number as a fleet number and
23 may register the vehicle for the partial year as provided in subsection 2 of this section. The fleet
24 owner shall also be charged a transfer fee of two dollars for each vehicle so transferred pursuant
25 to this subsection.

26 4. All fleet vehicles registered pursuant to this section shall be issued a special license
27 plate which shall have the words "Fleet Vehicle" in place of the words "Show-Me State" in the
28 manner prescribed by the advisory committee established in section 301.129. Such license plates
29 shall be made with fully reflective material with a common color scheme and design, shall be
30 clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.
31 Fleet vehicles shall be issued multiyear license plates as provided in this section which shall not
32 require issuance of a renewal [tab] **window sticker**. Upon payment of appropriate registration
33 fees, the director of revenue shall issue a registration certificate or other suitable evidence of
34 payment of the annual fee, and such evidence of payment shall be carried at all times in the
35 vehicle for which it is issued. The director of revenue shall promulgate rules and regulations
36 establishing the procedure for application and issuance of fleet vehicle license plates.

37 5. Notwithstanding the provisions of sections 307.350 to 307.390, RSMo, to the
38 contrary, a fleet vehicle registered in Missouri is exempt from the requirements of sections
39 307.350 to 307.390, RSMo, if at the time of the annual fleet registration, such fleet vehicle is
40 situated outside the state of Missouri.

301.130. 1. The director of revenue, upon receipt of a proper application for registration,
2 required fees and any other information which may be required by law, shall issue to the
3 applicant a certificate of registration in such manner and form as the director of revenue may
4 prescribe and a set of license plates, or other evidence of registration, as provided by this section.
5 Each set of license plates shall bear the name or abbreviated name of this state, the words
6 "SHOW-ME STATE", the month and year in which the registration shall expire, and an
7 arrangement of numbers or letters, or both, as shall be assigned from year to year by the director
8 of revenue. The plates shall also contain fully reflective material with a common color scheme
9 and design for each type of license plate issued pursuant to this chapter. The plates shall be

10 clearly visible at night, and shall be aesthetically attractive. Special plates for qualified disabled
11 veterans will have the "DISABLED VETERAN" wording on the license plates in preference to
12 the words "SHOW-ME STATE" and special plates for members of the national guard will have
13 the "NATIONAL GUARD" wording in preference to the words "SHOW-ME STATE".

14 2. The arrangement of letters and numbers of license plates shall be uniform throughout
15 each classification of registration. The director may provide for the arrangement of the numbers
16 in groups or otherwise, and for other distinguishing marks on the plates.

17 3. All property-carrying commercial motor vehicles to be registered at a gross weight in
18 excess of twelve thousand pounds, all passenger-carrying commercial motor vehicles, local
19 transit buses, school buses, trailers, semitrailers, motorcycles, motortricycles, motorscooters and
20 driveaway vehicles shall be registered with the director of revenue as provided for in subsection
21 3 of section 301.030, or with the state highways and transportation commission as otherwise
22 provided in this chapter, but only one license plate shall be issued for each such vehicle.

23 4. The plates issued to manufacturers and dealers shall bear the letters and numbers as
24 prescribed by section 301.560, and the director may place upon the plates other letters or marks
25 to distinguish commercial motor vehicles and trailers and other types of motor vehicles.

26 5. No motor vehicle or trailer shall be operated on any highway of this state unless it
27 shall have displayed thereon the license plate or set of license plates issued by the director of
28 revenue or the state highways and transportation commission and authorized by section 301.140.
29 Each such plate shall be securely fastened to the motor vehicle or trailer in a manner so that all
30 parts thereof shall be plainly visible and reasonably clean so that the reflective qualities thereof
31 are not impaired. Each such plate may be encased in a transparent cover so long as the plate is
32 plainly visible and its reflective qualities are not impaired. License plates shall be fastened to
33 all motor vehicles except trucks, tractors, truck tractors or truck-tractors licensed in excess of
34 twelve thousand pounds on the front and rear of such vehicles not less than eight nor more than
35 forty-eight inches above the ground, with the letters and numbers thereon right side up. The
36 license plates on trailers, motorcycles, motortricycles and motorscooters shall be displayed on
37 the rear of such vehicles, with the letters and numbers thereon right side up. The license plate
38 on buses, other than school buses, and on trucks, tractors, truck tractors or truck-tractors licensed
39 in excess of twelve thousand pounds shall be displayed on the front of such vehicles not less than
40 eight nor more than forty-eight inches above the ground, with the letters and numbers thereon
41 right side up or if two plates are issued for the vehicle pursuant to subsection 3 of this section,
42 displayed in the same manner on the front and rear of such vehicles. The license plate or plates
43 authorized by section 301.140, when properly attached, shall be prima facie evidence that the
44 required fees have been paid.

45 6. (1) **Beginning January 1, 2010**, the director of revenue shall issue annually or
46 biennially a [tab or set of tabs] **window sticker, to be placed on the front windshield of the**
47 **motor vehicle**, as provided by law as evidence of the annual payment of registration fees and the
48 current registration of a vehicle in lieu of the set of plates. **The window sticker shall not be**
49 **issued for motorcycle or trailer registrations.** Beginning January 1, 2010, the director may
50 prescribe any additional information recorded on the [tab or tabs] **window sticker** to ensure [that
51 the tab or tabs] **the sticker** positively [correlate] **correlates** with the license plate or plates issued
52 by the department of revenue for such vehicle. Such [tabs] **window stickers** shall be produced
53 in each license bureau office.

54 (2) [The vehicle owner to whom a tab or set of tabs is issued shall affix and display such
55 tab or tabs in the designated area of the license plate, no more than one per plate] **The window**
56 **sticker shall be placed on the inside front window in an area prescribed by the director of**
57 **revenue.**

58 (3) A [tab or set of tabs] **window sticker** issued by the director of revenue when attached
59 to a vehicle in the prescribed manner shall be prima facie evidence that the registration fee for
60 such vehicle has been paid.

61 (4) Except as otherwise provided in this section, the director of revenue shall issue plates
62 for a period of at least six years.

63 (5) For those commercial motor vehicles and trailers registered pursuant to section
64 301.041, the plate issued by the highways and transportation commission shall be a permanent
65 nonexpiring license plate for which no [tabs] **window sticker** shall be issued. Nothing in this
66 section shall relieve the owner of any vehicle permanently registered pursuant to this section
67 from the obligation to pay the annual registration fee due for the vehicle. The permanent
68 nonexpiring license plate shall be returned to the highways and transportation commission upon
69 the sale or disposal of the vehicle by the owner to whom the permanent nonexpiring license plate
70 is issued, or the plate may be transferred to a replacement commercial motor vehicle when the
71 owner files a supplemental application with the Missouri highways and transportation
72 commission for the registration of such replacement commercial motor vehicle. Upon payment
73 of the annual registration fee, the highways and transportation commission shall issue a
74 certificate of registration or other suitable evidence of payment of the annual fee, and such
75 evidence of payment shall be carried at all times in the vehicle for which it is issued.

76 (6) Upon the sale or disposal of any vehicle permanently registered under this section,
77 or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued
78 for such vehicle shall be returned to the highways and transportation commission and shall not
79 be valid for operation of such vehicle, or the plate may be transferred to a replacement vehicle
80 when the owner files a supplemental application with the Missouri highways and transportation

81 commission for the registration of such replacement vehicle. If a vehicle which is permanently
82 registered under this section is sold, wrecked or otherwise disposed of, or the lease terminated,
83 the registrant shall be given credit for any unused portion of the annual registration fee when the
84 vehicle is replaced by the purchase or lease of another vehicle during the registration year.

85 7. The director of revenue and the highways and transportation commission may
86 prescribe rules and regulations for the effective administration of this section. [No rule or
87 portion of a rule promulgated under the authority of this section shall become effective unless
88 it has been promulgated pursuant to the provisions of section 536.024, RSMo.] **Any rule or**
89 **portion of a rule, as that term is defined in section 536.010, RSMo, that is created under**
90 **the authority delegated in this section shall become effective only if it complies with and**
91 **is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028,**
92 **RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers**
93 **vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the**
94 **effective date, or to disapprove and annul a rule are subsequently held unconstitutional,**
95 **then the grant of rulemaking authority and any rule proposed or adopted after August 28,**
96 **2009, shall be invalid and void.**

97 8. Notwithstanding the provisions of any other law to the contrary, owners of motor
98 vehicles other than apportioned motor vehicles or commercial motor vehicles licensed in excess
99 of eighteen thousand pounds gross weight may apply for special personalized license plates.
100 Vehicles licensed for eighteen thousand pounds that display special personalized license plates
101 shall be subject to the provisions of subsections 1 and 2 of section 301.030.

102 9. No later than January 1, 2009, the director of revenue shall commence the reissuance
103 of new license plates of such design as directed by the director consistent with the terms,
104 conditions, and provisions of this section and this chapter. Except as otherwise provided in this
105 section, in addition to all other fees required by law, applicants for registration of vehicles with
106 license plates that expire during the period of reissuance, applicants for registration of trailers
107 or semitrailers with license plates that expire during the period of reissuance and applicants for
108 registration of vehicles that are to be issued new license plates during the period of reissuance
109 shall pay the cost of the plates required by this subsection. The additional cost prescribed in this
110 subsection shall not be charged to persons receiving special license plates issued under section
111 301.073 or 301.443. Historic motor vehicle license plates registered pursuant to section 301.131
112 and specialized license plates are exempt from the provisions of this subsection. Except for new,
113 replacement, and transfer applications, permanent nonexpiring license plates issued to
114 commercial motor vehicles and trailers registered under section 301.041 are exempt from the
115 provisions of this subsection.

301.140. 1. Upon the transfer of ownership of any motor vehicle or trailer, the certificate of registration and the right to use the number plates shall expire and the number plates **and window sticker** shall be removed by the owner at the time of the transfer of possession, and it shall be unlawful for any person other than the person to whom such number plates were originally issued to have the same in his or her possession whether in use or not; except that the buyer of a motor vehicle or trailer who trades in a motor vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred plates shall be lawful for no more than thirty days. **The requirement of a window sticker shall not be required during the thirty-day time frame.** As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long as the license plates for the trade-in motor vehicle or trailer are still valid.

2. In the case of a transfer of ownership the original owner may register another motor vehicle under the same number, upon the payment of a fee of two dollars, **and payment of a fee as prescribed in section 301.300 for a replacement window sticker**, if the motor vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that originally registered. When such motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, applicant shall pay a transfer fee of two dollars **the fee prescribed in section 301.300 for a replacement window sticker**, and a pro rata portion for the difference in fees. When such vehicle is of less horsepower, gross weight or (in case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, applicant shall not be entitled to a refund.

3. License plates may be transferred from a motor vehicle which will no longer be operated to a newly purchased motor vehicle by the owner of such vehicles. The owner shall pay a transfer fee of two dollars, **and payment of a fee as prescribed in section 301.300 for a replacement window sticker**, if the newly purchased vehicle is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, not in excess of that of the vehicle which will no longer be operated. When the newly purchased motor vehicle is of greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a greater fee is prescribed, the applicant shall pay a transfer fee of two dollars, **the fee prescribed in section 301.300 for a replacement window sticker**, and a pro rata portion of the difference in fees. When the newly purchased vehicle is of less horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be entitled to a refund.

37 4. Upon the sale of a motor vehicle or trailer by a dealer, a buyer who has made
38 application for registration, by mail or otherwise, may operate the same for a period of thirty days
39 after taking possession thereof, if during such period the motor vehicle or trailer shall have
40 attached thereto, in the manner required by section 301.130, number plates issued to the dealer.
41 Upon application and presentation of satisfactory evidence that the buyer has applied for
42 registration, a dealer may furnish such number plates to the buyer for such temporary use. In
43 such event, the dealer shall require the buyer to deposit the sum of ten dollars and fifty cents to
44 be returned to the buyer upon return of the number plates as a guarantee that said buyer will
45 return to the dealer such number plates within thirty days. The director shall issue a temporary
46 permit authorizing the operation of a motor vehicle or trailer by a buyer for not more than thirty
47 days of the date of purchase.

48 5. The temporary permit shall be made available by the director of revenue and may be
49 purchased from the department of revenue upon proof of purchase of a motor vehicle or trailer
50 for which the buyer has no registration plate available for transfer, or from a dealer upon
51 purchase of a motor vehicle or trailer for which the buyer has no registration plate available for
52 transfer. The director shall make temporary permits available to registered dealers in this state
53 or authorized agents of the department of revenue in sets of ten permits. The fee for the
54 temporary permit shall be seven dollars and fifty cents for each permit or plate issued. No dealer
55 or authorized agent shall charge more than seven dollars and fifty cents for each permit issued.
56 The permit shall be valid for a period of thirty days from the date of purchase of a motor vehicle
57 or trailer, or from the date of sale of the motor vehicle or trailer by a dealer for which the
58 purchaser obtains a permit as set out above.

59 6. The permit shall be issued on a form prescribed by the director and issued only for the
60 applicant's use in the operation of the motor vehicle or trailer purchased to enable the applicant
61 to legally operate the vehicle while proper title and registration plate are being obtained, and
62 shall be displayed on no other vehicle. Temporary permits issued pursuant to this section shall
63 not be transferable or renewable and shall not be valid upon issuance of proper registration plates
64 for the motor vehicle or trailer. The director shall determine the size and numbering
65 configuration, construction, and color of the permit.

66 7. The dealer or authorized agent shall insert the date of issuance and expiration date,
67 year, make, and manufacturer's number of vehicle on the permit when issued to the buyer. The
68 dealer shall also insert such dealer's number on the permit. Every dealer that issues a temporary
69 permit shall keep, for inspection of proper officers, a correct record of each permit issued by
70 recording the permit or plate number, buyer's name and address, year, make, manufacturer's
71 vehicle identification number on which the permit is to be used, and the date of issuance.

72 8. Upon the transfer of ownership of any currently registered motor vehicle wherein the
73 owner cannot transfer the license plates due to a change of vehicle category, the owner may
74 surrender the license plates issued to the motor vehicle and receive credit for any unused portion
75 of the original registration fee against the registration fee of another motor vehicle. Such credit
76 shall be granted based upon the date the license plates are surrendered. No refunds shall be made
77 on the unused portion of any license plates surrendered for such credit.

 301.160. Upon approval of the application for registration of a motor vehicle or trailer
2 and when the required fee has been paid to the department of revenue, the department shall
3 forward or deliver to the applicant the registration receipt and the number of license plates
4 prescribed for the vehicle or trailer by section 301.130, or renewal [tabs] **window stickers** if
5 appropriate. The attachment to the motor vehicle or trailer specified in the application of current
6 license plates shall be prima facie evidence that the fees have been paid for such license.

 301.290. 1. Correctional enterprises of the department of corrections shall purchase,
2 erect and maintain all of the machinery and equipment necessary for the manufacture of the
3 license plates and [tabs] **window stickers** issued by the director of revenue, and of signs used
4 by the state transportation department. Beginning on January 1, 2010, correctional enterprises
5 shall no longer erect and maintain [tabs] **window stickers** for the department of revenue.

6 2. The director of revenue shall procure all plates issued by [him] **the director**, and the
7 state transportation department shall procure all signs used by it from correctional enterprises,
8 unless an emergency arises and correctional enterprises cannot furnish the plates, [tabs] **window**
9 **stickers**, or signs.

10 3. Correctional enterprises shall furnish the plates and signs at such a price as will not
11 exceed the price at which such plates and signs may be obtained upon the open market, but in
12 no event shall such price be less than the cost of manufacture, including labor and materials.

13 4. All moneys derived from the sale of the plates, [tabs] **window stickers**, and signs
14 shall be paid into the state treasury to the credit of the working capital revolving fund as provided
15 in section 217.595, RSMo.

 301.300. 1. In event of the loss, theft, mutilation or destruction of any certificate of
2 ownership, number plate, [tab or set of tabs] **or window sticker** issued by the director of
3 revenue, the lawful holder thereof shall, within five days, file with the director of revenue, an
4 affidavit showing such fact, and shall, on the payment of a fee of eight dollars and fifty cents,
5 obtain a duplicate or replacement of such plate, certificate, [tab or set of tabs] **or window**
6 **sticker**. Any duplicate certificate issued for any "motor vehicle primarily for business use", as
7 defined in section 301.010, shall be issued only to the owner of record.

8 2. Upon filing affidavit of lost, stolen, mutilated or destroyed certificate of registration,
9 the director of revenue shall issue to the lawful owner a duplicate or replacement thereof upon
10 payment of a fee of eight dollars and fifty cents.

11 3. Vehicle owners who elect not to transfer or renew multiyear plates shall be charged
12 a fee equal to that charged for a lost plate in addition to the registration fee prescribed by law at
13 the time the new plate or plates are issued.

14 4. Notwithstanding subsection 1 of this section, a new or used motor vehicle dealer may
15 obtain a duplicate or replacement title in the owner's name if the owner's title has been lost,
16 stolen, mutilated, or destroyed and is not available for assignment. In order to obtain the
17 duplicate or replacement title from the department of revenue, the licensed dealer shall procure
18 a power of attorney from the owner authorizing the dealer to obtain a duplicate or replacement
19 title in the owner's name and sign any title assignments on the owner's behalf. The application
20 to the department of revenue for the duplicate or replacement title shall be accompanied by the
21 executed power of attorney, or a copy thereof, and the application shall contain the appropriate
22 mailing address of the dealer. The director of the department of revenue is authorized to make
23 all necessary rules and regulations for the administration of this subsection, and shall design all
24 necessary forms required by this subsection. No rule or portion of a rule promulgated pursuant
25 to the authority of this section shall become effective unless it has been promulgated pursuant
26 to the provisions of chapter 536, RSMo. Any rule or portion of a rule, as that term is defined in
27 section 536.010, RSMo, that is created under the authority delegated in this section shall become
28 effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo,
29 and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are
30 nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536,
31 RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently
32 held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted
33 after August 28, 2005, shall be invalid and void.

301.301. 1. Any person replacing a stolen [license plate tab] **window sticker** issued on
2 or after January 1, [2009] **2010**, may receive at no cost up to two [sets of two license plate tabs]
3 **window stickers** per year when the application for the replacement [tab] **sticker** is accompanied
4 with a police report that is corresponding with the stolen [license plate tab] **window sticker**.

5 2. Any person replacing a stolen license plate tab issued prior to January 1, [2009] **2010**,
6 may receive at no cost up to two sets of two license plate tabs per year when the application for
7 the replacement tab is accompanied with a notarized affidavit verifying that such license plate
8 tab or tabs were stolen.

301.302. A citation shall not be issued to any person stopped by law enforcement for a
2 missing [license plate tab or tabs] **window sticker** if such person indicates that the [tab or tabs

3 have] **window sticker has** been stolen and a check on such person's vehicle registration reveals
4 that the vehicle is properly registered. A law enforcement officer may issue a warning under
5 these circumstances. In the event a citation is improperly issued to a person for **a** missing [tabs]
6 **window sticker** when the requirements of this section are met, any court costs shall be waived.

Section B. Section A of this act shall become effective January 1, 2010.
