4. The certificate of ownership issued by the director of revenue shall be manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such certificate without ready detection. In order to carry out the requirements of this subsection, the director of revenue may contract with a nonprofit scientific or educational institution specializing in the analysis of secure documents to determine the most effective methods of rendering Missouri certificates of ownership nonalterable or noncounterfeitable.

- 5. The fee for each original certificate so issued shall be eight dollars and fifty cents, in addition to the fee for registration of such motor vehicle or trailer. If application for the certificate is not made within thirty days after the vehicle is acquired by the applicant, a delinquency penalty fee of twenty-five dollars for the first thirty days of delinquency and twenty-five dollars for each thirty days of delinquency thereafter, not to exceed a total of two hundred dollars, but such penalty may be waived by the director for a good cause shown. If the director of revenue learns that any person has failed to obtain a certificate within thirty days after acquiring a motor vehicle or trailer or has sold a vehicle without obtaining a certificate, he shall cancel the registration of all vehicles registered in the name of the person, either as sole owner or as a co-owner, and shall notify the person that the cancellation will remain in force until the person pays the delinquency penalty fee provided in this section, together with all fees, charges and payments which the person should have paid in connection with the certificate of ownership and registration of the vehicle. The certificate shall be good for the life of the motor vehicle or trailer so long as the same is owned or held by the original holder of the certificate and shall not have to be renewed annually.
- 6. Any applicant for a certificate of ownership requesting the department of revenue to process an application for a certificate of ownership in an expeditious manner requiring special handling shall pay a fee of five dollars in addition to the regular certificate of ownership fee.
- 7. It is unlawful for any person to operate in this state a motor vehicle or trailer required to be registered under the provisions of the law unless a certificate of ownership has been applied for as provided in this section.
 - 8. Before an original Missouri certificate of ownership is issued, an inspection of the vehicle and a verification of vehicle identification numbers shall be made by the Missouri state highway patrol on vehicles for which there is a current title issued by another state if a Missouri salvage certificate of title has

been issued for the same vehicle but no prior inspection and verification has been 89 90 made in this state, except that if such vehicle has been inspected in another state by a law enforcement officer in a manner comparable to the inspection process in 91 92this state and the vehicle identification numbers have been so verified, the applicant shall not be liable for the twenty-five dollar inspection fee if such 93 94 applicant submits proof of inspection and vehicle identification number verification to the director of revenue at the time of the application. The 95 applicant, who has such a title for a vehicle on which no prior inspection and 96 97 verification have been made, shall pay a fee of twenty-five dollars for such verification and inspection, payable to the director of revenue at the time of the 98 99 request for the application, which shall be deposited in the state treasury to the 100 credit of the state highways and transportation department fund.

- 9. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, specially constructed motor vehicle, kit vehicle, motor change vehicle, non-USA-std motor vehicle, or other vehicle as required by the director of revenue shall be accompanied by a vehicle examination certificate issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The vehicle examination shall include a verification of vehicle identification numbers and a determination of the classification of the vehicle. The owner of a vehicle which requires a vehicle examination certificate shall present the vehicle for examination and obtain a completed vehicle examination certificate prior to submitting an application for a certificate of ownership to the director of revenue. The fee for the vehicle examination application shall be twenty-five dollars and shall be collected by the director of revenue at the time of the request for the application and shall be deposited in the state treasury to the credit of the state highways and transportation department fund. If the vehicle is also to be registered in Missouri, the safety inspection required in chapter 307, RSMo, and the emissions inspection required under chapter 643, RSMo, shall be completed and the fees required by section 307.365, RSMo, and section 643.315, RSMo, shall be charged to the owner.
- 10. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri or as required by section 301.020, it shall be accompanied by a current inspection form certified by a duly authorized official inspection station as described in chapter 307, RSMo. The completed form shall certify that the

manufacturer's identification number for the vehicle has been inspected, that it is correctly displayed on the vehicle and shall certify the reading shown on the odometer at the time of inspection. The inspection station shall collect the same fee as authorized in section 307.365, RSMo, for making the inspection, and the fee shall be deposited in the same manner as provided in section 307.365, RSMo. If the vehicle is also to be registered in Missouri, the safety inspection required in chapter 307, RSMo, and the emissions inspection required under chapter 643, RSMo, shall be completed and only the fees required by section 307.365, RSMo, and section 643.315, RSMo, shall be charged to the owner. This section shall not apply to vehicles being transferred on a manufacturer's statement of origin.

- 11. Motor vehicles brought into this state in a wrecked or damaged condition or after being towed as an abandoned vehicle pursuant to another state's abandoned motor vehicle procedures shall, in lieu of the inspection required by subsection 10 of this section, be inspected by the Missouri state highway patrol in accordance with subsection 9 of this section. If the inspection reveals the vehicle to be in a salvage or junk condition, the director shall so indicate on any Missouri certificate of ownership issued for such vehicle. Any salvage designation shall be carried forward on all subsequently issued certificates of title for the motor vehicle.
- 12. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as a reconstructed motor vehicle, motor change vehicle, specially constructed motor vehicle, or prior salvage vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the name of the issuing state and such prior designation. The absence of any prior designation shall not relieve a transferor of the duty to exercise due diligence with regard to such certificate of ownership prior to the transfer of a certificate. If a transferor exercises any due diligence with regard to a certificate of ownership, the legal transfer of a certificate of ownership without any designation that is subsequently discovered to have or should have had a designation shall be a transfer free and clear of any liabilities of the transferor associated with the missing designation.
- 13. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by

The inspection performed by the highway patrol or other authorized local law enforcement agency shall include a check for stolen vehicles. The department of revenue shall issue the owner a certificate of ownership designated with the words "Reconstructed Motor Vehicle" and deliver such certificate of ownership in accordance with the provisions of this chapter.  - 306.410. 1. If an owner creates a lien or encumbrance on an outboard motor, motorboat, vessel, or watercraft:

 - (4) Upon receipt of the documents and fee required in subdivision (3) of this section, the director of revenue shall issue a new certificate of title containing the name and address of the new lienholder, and mail the certificate of title to the owner named in it or if a lienholder has elected to have the director of revenue retain possession of an electronic certificate of title, the lienholder shall either mail or deliver to the director a notice of authorization for the director to add a subordinate lienholder to the existing certificate as prescribed in section 306.405.  - 2. When an owner wants to add or delete a name or names on an application for certificates of title of an outboard motor, motorboat, vessel, or watercraft that would cause it to be inconsistent with the name or names listed on the notice of lien, the owner shall provide the director with documentation evidencing the lienholder's authorization
