44.100. 1. The emergency powers of the governor shall be as follows:

2 (1) The provisions of this section shall be operative only during the existence of a state  
3 of emergency (referred to in this section as "emergency"). The existence of an emergency may  
4 be proclaimed by the governor or by resolution of the legislature, if the governor in his  
5 proclamation, or the legislature in its resolution, finds that a natural or man-made disaster of  
6 major proportions has actually occurred within this state, and that the safety and welfare of the  
7 inhabitants of this state require an invocation of the provisions of this section;

8 (2) Any emergency, whether proclaimed by the governor or by the legislature, shall  
9 terminate upon the proclamation thereof by the governor, or the passage by the legislature, of a  
10 resolution terminating such emergency;

11 (3) During the period that the state of emergency exists or continues, the governor shall:

12 (a) Enforce and put into operation all plans, rules and regulations relating to disasters and  
13 emergency management of resources adopted under this law and to assume direct operational  
14 control of all emergency forces and volunteers in the state;

15 (b) Take action and give directions to state and local law enforcement officers and  
16 agencies as may be reasonable and necessary for the purpose of securing compliance with the  
17 provisions of this law and with the orders, rules and regulations made pursuant thereof;

18 (c) Seize, take or requisition to the extent necessary to bring about the most effective  
19 protection of the public:

20 a. Any means of transportation, other than railroads and railroad equipment and fuel, and  
21 all fuel necessary for the propulsion thereof;

22 b. Any communication system or part thereof necessary to the prompt and efficient  
23 functioning of the emergency management of the state;

24 c. All stocks of fuel;

25 d. Facilities for housing, feeding and hospitalization of persons, including buildings and  
26 plants;

27 (d) Control, restrict and regulate by rationing, freezing, use of quotas, prohibitions on  
28 shipments, price fixing, allocation or other means the use, sale or distribution of food, feed, fuel,  
29 clothing and other commodities, materials, goods or services;

30 (e) Prescribe and direct activities in connection with but not limited to use, conservation,  
31 salvage and prevention of waste of materials, services and facilities, including production,  
32 transportation, power and communication facilities, training and supply of labor, utilization of  
33 industrial plants, health and medical care, nutrition, housing, including the use of existing and

34 private facilities, rehabilitation, education, welfare, child care, recreation, consumer protection  
35 and other essential civil needs;

36 (f) Use or distribute all or any of this property among the inhabitants of the state in any  
37 area adversely affected by a natural or man-made disaster and to account to the state treasurer  
38 for any funds received thereof;

39 (g) Waive or suspend the operation of any statutory requirement or administrative rule  
40 regarding the licensing, certification or issuance of permits evidencing professional, mechanical  
41 or other skills;

42 (h) Waive or suspend the operation of any statutory requirement or administrative rule  
43 prescribing procedures for conducting state business, where strict compliance with such  
44 requirements and rules would prevent, hinder, or delay necessary action by the department of  
45 health and senior services to respond to a declared emergency or increased health threat to the  
46 population;

47 (i) In accordance with rules or regulations, provide that all law enforcement authorities  
48 and other emergency response workers and agencies of other states who may be within this state  
49 at the request of the governor or pursuant to state or local mutual-aid agreements or compacts  
50 shall have the same authority and possess the same powers, duties, rights, privileges and  
51 immunities as are possessed by like law enforcement authorities and emergency response  
52 workers and agencies of this state;

53 (j) Perform and exercise such other functions, powers and duties as may be necessary  
54 to promote and secure the safety and protection of the civilian population;

55 (k) Authorize the director of finance and the director of credit unions to waive or  
56 suspend the operation of any statutory requirement or administrative rule applicable to the  
57 division of finance, banking, financial services, or the division of credit unions and take action  
58 and give direction to banks, credit unions, and financial institutions, including coordinating  
59 actions with emergency responders, federal agencies, and state banking and credit union  
60 associations as may be reasonable and necessary to preserve the safety and soundness of banks,  
61 credit unions, and financial institutions; and facilitate disaster response and recovery efforts to  
62 serve essential civil needs and protect the public interest;

63 **(l) If necessary, call-up members of the civil disaster response corps created in**  
64 **section 44.052, to conduct emergency response, hazard mitigation, or disaster recovery**  
65 **missions.**

66 2. When any property is seized, taken or requisitioned under this section, the circuit court  
67 of the county in which the property was taken may, on the application of the owner thereof or  
68 on the application of the governor in cases where numerous claims may be filed, appoint three  
69 disinterested commissioners in the manner provided by section 523.040, RSMo, to assess the

70 damages which the owners may have sustained by reason of the appropriation thereof. Upon the  
71 application the amount due because of the seizure of property shall be determined in the manner  
72 provided in chapter 523, RSMo, for the determination of damages in case of the exercise of the  
73 power of eminent domain.
