Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 247.031, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 247.031, to read as follows:

247.031. 1. Territory included in a district that is not being served by such district may be detached from such district provided that there are no outstanding general obligation or special obligation bonds and no contractual obligations of greater than twenty-five thousand dollars for debt that pertains to infrastructure, fixed assets or obligations for the purchase of water. Detachment may be made by the filing of a petition with the circuit court in which the district was incorporated. The petition shall contain a description of the tract to be detached and a statement that the detachment is in the best interest of the district or the inhabitants and property owners of the territory to be detached, together with the facts supporting such allegation. The petition may be submitted by the district acting through its board of directors, in which case the petition shall be signed by a majority of the board of directors of the district. The petition may also be submitted by voters residing in or by landowners owning land in the territory sought to be detached. If there are more than ten voters and landowners in such territory, the petition shall be signed by five or more voters or landowners within the territory; if there are less than ten voters and landowners within such territory, the petition shall be signed
