**AN ACT**

To repeal section 204.569, RSMo, and to enact in lieu thereof two new sections relating to sewer districts, with an emergency clause for a certain section.

---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 204.569, RSMo, is repealed and two new sections enacted in lieu thereof, to be known as sections 204.363 and 204.569, to read as follows:

**204.363. No person who owns real property within the boundaries of any district created under section 30, article VI, Constitution of Missouri, shall be assessed any fee, charge, or tax for storm water management services if the district does not directly provide sanitary sewer services to such property and if the storm water runoff from such person's property does not flow, or is not otherwise conveyed, to a sewer maintained by such district or is not planned to flow or be otherwise conveyed to such a sewer within eighteen months of the date of assessment. This section shall not be construed to prohibit the assessment by such district of otherwise allowable fees, charges, or taxes to any person within the district boundaries provided such fees, charges, or taxes do not conflict with this section.**

204.569. When an unincorporated sewer subdistrict of a common sewer district has been formed pursuant to sections 204.565 to 204.573, the board of trustees of the common sewer district shall have the same powers with regard to the subdistrict as for the common sewer district as a whole, plus the following additional powers:

(1) To enter into agreements to accept, take title to, or otherwise acquire, and to operate such sewers, sewer systems, treatment and disposal facilities, and other property, both real and personal, of the political subdivisions included in the subdistrict as the board determines to be in the interest of the common sewer district to acquire or operate, according to such terms and

10 powers of the board of trustees pursuant to section 204.340;

11 (2) To provide for the construction, extension, improvement, and operation of such  
12 sewers, sewer systems, and treatment and disposal facilities, as the board determines necessary  
13 for the preservation of public health and maintenance of sanitary conditions in the subdistrict;

14 (3) For the purpose of meeting the costs of activities undertaken pursuant to the authority  
15 granted in this section, to issue bonds in anticipation of revenues of the subdistrict in the same  
16 manner as set out in sections 204.360 to 204.450, for other bonds of the common sewer district.  
17 Issuance of such bonds for the subdistrict shall require the assent only of four-sevenths of the  
18 voters of the subdistrict voting on the question, [and] **except that, as an alternative to such a**  
19 **vote, if the subdistrict is a part of a common sewer district located in whole or in part in**  
20 **any county of the first classification with more than eighty-two thousand but fewer than**  
21 **eighty-two thousand one hundred inhabitants, bonds may be issued for such subdistrict**

26 **issued under this subdivision** shall be payable only from the revenues of the subdistrict and not  
27 from any revenues of the common sewer district as a whole;

28 (4) To charge the costs of the common sewer district for operation and maintenance  
29 attributable to the subdistrict, plus a proportionate share of the common sewer district's costs of  
30 administration to revenues of the subdistrict and to consider such costs in determining reasonable  
31 charges to impose within the subdistrict under section 204.440;

32 (5) With prior concurrence of the subdistrict's advisory board, to provide for the  
33 treatment and disposal of sewage from the subdistrict in or by means of facilities of the common  
34 sewer district not located within the subdistrict, in which case the board of trustees shall also  
35 have authority to charge a proportionate share of the costs of the common sewer district for  
36 operation and maintenance to revenues of the subdistrict and to consider such costs in  
37 determining reasonable charges to impose within the subdistrict under section 204.440.

Section B. Because the adequate provision of sewer services is an essential part of daily  
2 existence for Missouri residents and businesses, the repeal and reenactment of section 204.569  
3 of section A of this act is deemed necessary for the immediate preservation of the public health,  
4 welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of  
5 the constitution, and the repeal and reenactment of section 204.569 of section A of this act shall  
6 be in full force and effect upon its passage and approval.
