

HB 335 -- Driver's License Suspensions

Sponsor: Burnett

This bill repeals the requirement that the Director of the Department of Revenue, upon order of the court, suspend the driver's license of any individual who fails to appear and dispose of any moving traffic violation charge.

The department is required to remove any driver's license suspension from the record of any driver who has had his or her driving privileges suspended prior to August 28, 2009, for failing to appear on any moving traffic violation.
