

## HB 538 -- Deferred Prosecution Agreements

Sponsor: Dixon

This bill grants immunity to any county, city, person, organization, or agency or any of their employees against suits brought by an individual who was engaged in uncompensated work or community service for the county, city, person, organization, or agency as part of a deferred prosecution agreement between the individual and any federal, state, or local prosecutor. This immunity does not apply to intentional torts or acts of gross negligence.
