

HB 555 -- Hero at Home Program

Sponsor: Smith (14)

Currently, services provided under the Hero at Home Program include financial assistance due to reduced income after the deployment of a spouse. This bill removes the deployment reason and allows services to be provided to any military family facing financial crisis.

The Department of Economic Development is required to prepare and deliver a report regarding the Hero at Home Program to the Speaker of the House of Representatives and the President Pro Tem of the Senate no later than January 1, 2010.
