

HB 899 -- St. Louis City Public Administrator

Sponsor: Hummel

This bill requires the City of St. Louis to provide suitable furnishings and to purchase all necessary supplies for the public administrator. All necessary expenses of the public administrator must be approved by the comptroller and paid out of the city treasury.

Upon approval of a majority of the circuit court judges of the city, the public administrator is authorized to employ as many deputies and assistants as the public administrator deems necessary and to set their compensation up to a certain limit established by the board of aldermen.

When appointed by the probate division or the circuit court, the public administrator must act as trustee or successor trustee for any additional duties imposed.
