

HB 1091 -- County Recorder Fees

Sponsor: Schoeller

This bill requires a county recorder to charge and collect a \$2 fee in addition to any other authorized fees for the recording of any instrument. One dollar of the fee will be retained by the recorder for record storage, microfilming, and preservation; and \$1 will be deposited into the General Revenue Fund to an account of the Secretary of State for the additional preservation of local records.

The provisions of the bill will expire December 31 six years from the effective date.
