

HCS SCS SB 179 -- CONVEYANCES OF STATE PROPERTY

This bill authorizes the Governor to convey:

(1) State property located in Jasper County, known as the Joplin Regional Center, to Missouri Southern State University. The transfer may not occur until the center has relocated to different property;

(2) State property located in St. Louis City, which is currently being used by the Department of Corrections as a minimum security correctional facility, to the Highways and Transportation Commission for the new Mississippi River Bridge project;

(3) State property and a temporary construction easement over, on, and under state property located in the City of Springfield in Greene County to the Arc of the Ozarks;

(4) A permanent storm water easement over, on, and under state property located in the City of Springfield in Greene County;

(5) All interest in an easement across state property located in Macon County to certain private property owners for the purpose of obtaining access to their property;

(6) State property located in Cape Girardeau County to the Highways and Transportation Commission;

(7) State property located in Boone County, known as the Mid-Missouri Mental Health Center, to the Curators of the University of Missouri;

(8) State property located in St. Louis City, which currently is being leased by Harris-Stowe State University, to the university; and

(9) Easements on state property in Cooper County, which is currently being used by the Department of Corrections, to the City of Boonville for the purpose of constructing a road.

The Director of the Department of Natural Resources is authorized to lease state property in Clinton County to the Clinton County Public Water Supply District Number 3 for constructing an elevated water storage tank.

The bill contains an emergency clause for the provisions regarding the conveyance in Boone County and the temporary construction easement and the permanent storm water easement in Greene County.
