## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of Administration, Division of Budget and Planning** (BAP) assume this proposal would not result in additional costs or savings to their organization.

Officials from the **Department of Revenue** assume this proposal would have no fiscal impact on their organization.

Officials from the **State Tax Commission** (TAX) assume this proposal would require TAX to assign a new hearing officer to an appeal if the party files a timely application to disqualify the hearing officer originally assigned to the appeal. Currently TAX has only three hearing officers to handle the thousands of appeals filed each year. The TAX response included one FTE Hearing Officer; and estimated total costs for salary, benefits, expense, and equipment were \$70,412 for FY 2011, \$85,233 for FY 2012, and \$87,789 for FY 2013.

**Oversight** assumes there would be a limited number of hearings where one of the parties would request the disqualification of a hearing officer and that TAX could implement this provision with existing resources. If unanticipated costs are incurred or if multiple proposals are incurred which increase then TAX could request resources through the budget process.

### FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
